We expect a greater demand for this 40 page, illustrated booklet on travel, than has ever been known for any

Mothersill's Travel Book tells you what to take on a journey and what not to take—how to pack and how to best care for your baggage and gives exact information as to checking facilities, weights, etc., in foreign countries—gives tables of money values—distances from New York—tells when, who and how much, to "tip." In fact this booklet will be found invaluable to all who travel or are contemplating taking a trip in this country or abroad.

INVESTING FOR PROFIT FREE

FOR SIX MONTHS. It is worth \$10 a copy to any one intending to invest any money, however small, who has invested money unprofitably, or who can save \$5.00 or more per month, but who hasn't learned the art of investing for profit. It demonstrates the **real** earning power of money, the knowledge financiers and bankers hide from the masses. It reveals the enormous profits bankers make and shows how to make the same profits. It explains how stupendous fortunes are made and why made, how \$1,000 grows to \$22,000. To introduce my magazine, write me **now**. I'll send it six months absolutely **FREE**.
