

PARAGRAPHIO.

RHEUMATIC PAINS

Require no description, since, with rare exception, all at some time have experienced their twinges. Rheumatism is not easily dislodged, only the most powerfully penetrating remedies reach to its very foundations. The most successful treatment known, and it is now frequently resorted to by medical men, is the application of that now famous remedy for pain—Polson's Nerviline. It is safe to say that nothing yet discovered has afforded equal satisfaction to the suffering. A trial can be made at a small cost, as sample bottles of Nerviline can be had at the drug stores for ten cents, large bottles 25 cents.

The every day cares and duties which men call drudgery are the weights and counterpoises of the clock of time, giving its pendulum a true vibration, and its hands a regular motion; and when they cease to hang upon the wheels, the pendulum no longer swings, the hands no longer move, the clock stands still.

If any of the readers of this paper do not know of *Johnson's Anodyne Liniment* we urge them to find out about it. Write to Dr. Johnson & Co., of Boston, Maine. It is the most marvelous remedy in the world.

The most brilliant qualities become useless when they are not sustained by force of character.

SCOTT'S EMULSION OF COD LIVER OIL AND HYPOPHOSPHITES.

is very palatable and much better than the plain oil. Dr. W. H. Cameron, of Halifax, N.S., says: "I have prescribed Scott's Emulsion of Cod Liver Oil with Hypophosphites for the past two years and found it more agreeable to the stomach, and have better results from its use than any other preparation of the kind I have ever tried." Put up in 50c and \$1 size.

He who hath not yet forgiven an enemy has never yet tasted one of the sublime enjoyments of life.

Dyspeptic symptoms, low spirits, restlessness, sleeplessness, confusion, sour stomach, pain in the bowels, sick headache, variable appetite, raising food, oppression at pit of stomach, low fever and languor, *Parson's Purgative Pills* give immediate relief and will ultimately cure the disease.

Principles are very important, but they need to be adorned by the graces to render them attractive.

They who talk much should be ware of those who listen attentively.

C. C. Richards & Co.,

Dear Sir,—I cannot find words to express my thanks to you for your good advice and valuable Liniment that you gave me on board of the S. S. St. Pierre. The foot

that you and the other gentlemen saw so severely crushed by the falling of such a heavy anchor on it, I am glad to say is now nearly well; yesterday I was able to go out on the street, and after a few days more it will be as well as ever. It was the opinion of some of our skillful doctors here that I would not be able to move it for six weeks, but I am happy to say Minard's Liniment has set them at defiance, and by applying it has restored it back without pain or trouble, only according to the directions on the bottle. For the future I shall not be without it either at sea or on shore.

Yours truly, MICHAEL PHELAN.
Halifax, N.S.
