

PARAGRAPHIC.

THE ELECTRIC LIGHT

Is a matter of small importance compared with other applications of electricity. By this agency Polson's Nerviline is made to penetrate to the most remote nerve—every bone, muscle and ligament is made to feel its beneficent power. Nerviline, pleasant to take, even by the youngest child, yet so powerfully far-reaching in its work, that the most agonizing internal pain yields as if by magic. Neglect no longer to try Nerviline. Buy to day a ten cent trial bottle and be relieved from all pain. Sold by druggists and country dealers everywhere.

The manufacture of paper from moss is reported from Sweden. The paper is as hard as wood and can easily be painted and polished.

A lady writes us she would not be without Minard's Liniment if it cost \$20 a bottle, for in cases of diphtheria, croup, and asthma, when the patient is almost dead for want of breath and a remedy is required to act instantly, it can't be beat, and costs only 25 cents.

Again it is announced that the photographing of colors has been achieved, this time by an Austrian.

C. C. Richards & Co.,

Gents.—My daughter had a severe cold and injured her spine so she could not walk, and suffered very much. I called in our family physician; he pronounced it inflammation of the spine and recommended Minard's Liniment to be used freely. Three bottles cured her. I have used your Minard's Liniment for a broken breast; it reduced the inflammation and cured me in 10 days. I would recommend it to all ladies who are suffering from the same severe trouble.

Woven rattan coffins are coming into use among the upper ten at Philadelphia. They are cheap, but admit of decoration to any desired extent.

Frederick Livingston in his 90th year continues to perform his daily duties as president of the First National Bank in Peterboro', New Haven.

For cramp in the stomach, croup, colic, inflammation of the lungs or bowels, warm Minard's Liniment, rub freely and cover the affected parts with brown paper well saturated with the Liniment, and take it internally according to directions, A cure guaranteed.

Most men call fretting a minor fault—a foible, not a vice. But there is no vice, except it be drunkenness, which can so utterly destroy the peace and happiness of a home.
—Helen F. Jackson.

Some people have an idea that about all religion is for, is to help them to have a good time and be respectable.

THE TEACHERS' ASSISTANT

To Explain and Illustrate the Canadian Church Sunday School Lessons, adopted by our Provincial Synod of Canada,
Oct. 8th, 1890.

Price only 30 cents per annum.

Brimful of interesting matter on every Sunday's Lesson.

No Sunday-school Teacher who tries it will be without it.

The Bishop of Toronto thus writes respecting the Assistant:

"I strongly commend it to the notice of the Clergy of the Diocese, hoping that they will promote its circulation among their Teachers."

The Bishop of Algoma says:

"The Assistant" is certain to prove a valuable aid to conscientious Sunday School Teachers. Designed (as its name implies) to stimulate but not to supersede careful preliminary study of the lesson, it opens up new lines of thought, which cannot but give solidity to the instruction conveyed in the Sunday School that use it."

The Bishop of Niagara says:

"The Teachers' Assistant" will be valued by all who feel the need of their own minds being stimulated and informed before going to the class in the Sunday-school.
