

**GREATEST  
ANTI-SEPTIC  
REMEDY  
OF THE AGE.**

**Why Does it Cure ?**

*Because it stops the fermentation going on in the body without injuring or killing the patient.*

**BY DOING THIS IT MUST CURE !**

No fermentation or decay, hence no sickness can take place without Microbes, Air, Temperature and Moisture, Nature's Destroying Element.

To preserve healthy bodies or cure diseased ones, we must stop the fermentation going on in them by saturating the system with an anti-septic that will not injure the patient.

"**Radam's Microbe Killer**" is the only remedy known to the world that can be safely used for this purpose, and was never known to fail.

Investigate at once, do not let prejudice have sway.

Received the highest awards for Purity and Excellence at Philadelphia, 1876 ; Canada, 1876 ; Austria, 1877 ; and Paris, 1878. Prof. H. H. Croft, Public Analyst, Toronto, says : " I find it to be perfectly sound, containing no impurities or adulterations, and can strongly recommend it as perfectly pure and a very superior liquor. John B. Edwards, Professor of Chemistry, Montreal, says : " I find them to be remarkably sound ales, brewed from pure malt and hops." **James Good & Co., Agents, Toronto.**

**MIMICO.**

The coming town of Ontario is **MIMICO**. When largely successful manufacturers get together, form a syndicate, and decide to locate where rents and taxes are cheap, it's a reasonable assumption that town is going to grow. Measure **MIMICO** by such a standard.

Lots are selling double quick these days. You must look sharp if you want an interest in this "new Toronto." Send for my terms, plans and prices.

**We Challenge the World**

To show an Electric Belt where the current is under the control of the patient as completely as this. We can use the same belt on an infant that we would on a giant by simply reducing the number of cells. Ordinary belts are not so.

**Beware of Imitations and  
Cheap Belts.**

We desire to warn the public against purchasing worthless imitations of the Genuine Owen Electric Belt that has stood the test of years and has a continental reputation. The portrait of Dr. A. Owen is embossed in gold upon every Belt and Appliance manufactured by us. None genuine without it.

**Geo. C. Pitzer, M.D.**

"St. Louis, Mo., June 10, 1886.  
"I take pleasure in stating that I have examined and tested Dr. Owen's Electro-Galvanic Belt and Appliance, and do not hesitate to say that it is the most practical and efficient of all the galvanic belts I have used in my practice.

"Geo. C. Pitzer, M.D., 1110 Chambers St.  
Dr. Pitzer is considered the best authority we have in the world on electricity.
