When desired, Gentlemen's Watches will be sent instead of Ladies' of the same value and quality. Every one sending us a club of 5 Subscribers at \$2.00, will receive the HEARTHSTONE for one year, and the Presentation Plate, FREE.

All those obtaining prizes are entitled moreover to the HEARTHSTONE, for one year, free. The Sewing Machines above mentioned are all manufactured in Canada, by Messrs. C. W. Williams & Co., Montreal, (with whom a contract has been made for the delivery of as many of each machine as we may require); they are fully equal if not superior to the very finest machines of American manufacture, and represent a value nearly double of the figures above quoted, if the price of the American machines be taken as the standard. All who receive one of these machines will have entire satisfaction with it. The machines all sew with two threads, and do either the lock stitch, or the double loop-stitch, neither of which will rip. Further, any person entitled to receive a Sewing Machine and desiring one of higher price, can have it by paying the difference to the manufacturers.

The Gold and Silver Watches offered as prizes are all first class and imported for us by a leading house in Montreal, (Messrs. Schwob Bros.) Each watch will be sent, post or express paid, in a neat case; the cases for the Gold Watches of high price being beautifully finished with inlaid woods. Those who prefer to canvass for cash prizes, that is to say on commission, and compete at the same time for the Grand Premiums mentioned in the next list, may do so: Thus, any one having formed a club of 5 and receiving in consequence the HEARTHSTONE free, may retain 25 cents out of every subscription collected; hence forward, and the remittance of the balance, \$1.75, will be counted as a full subscription in the competition. The club of 5 will also be included.

### THE FOLLOWING GRAND PREMIUMS

will be given IN ADDITION to the prizes and commissions above mentioned, to the most energetic and successful canvassers.

**FIRST GRAND PREMIUM.**—For the largest number of new subscribers sent by one person before the 15th April 1872.—BE THAT NUMBER WHAT IT MAY,—ALL HAVE A CHANCE: A Grand Square 7 octave Piano-Forte, rosewood case, rich mouldings, and of the finest tone.....Price, \$400.00

**SECOND GRAND PREMIUM.**—For the next largest number of subscribers sent by one person before the 15th April 1872: A splendid 6 octave double-reed Parlor Organ, C Scale, in Solid Walnut Case, Sunk Panels, Richly Carved, No. 1 Ivory Front Keys, Music Closet, Four Stops, Bourdon, Melodia, Viola, Picolo.....Price, \$155.00

**THIRD GRAND PREMIUM.**—For the next largest number of subscribers sent by one person before the 15th April 1872: A beautiful Single-Reed Parlor Organ, in Solid Walnut Case, Richly Carved, Sunk Panels, No. 1 Ivory Front Keys, with Music Closets.....Price, \$100.00

**FOURTH GRAND PREMIUM.**—For the next largest number of subscribers sent by one person before the 15th April 1872: A fine Single Reed Parlor Organ, in Solid Case, Sunk Panels, Elegantly Carved Ornaments, name-board finished in jet and gilt.....Price, \$65.00

It is evident that one person may, not only win a GRAND PREMIUM and ONE of the prizes on the first list, but SEVERAL of the latter; either by working for them successively, or by taking two or more prizes of less value, equivalent to the one represented by the number of subscriptions sent.

Those who prefer canvassing on CASH TERMS ONLY, and who do not wish to compete for the GRAND PREMIUMS, can take advantage of the club terms offered elsewhere. These offer more immediate profit, but exclude from obtaining prizes, or competing for the GRAND PREMIUMS. Subscriptions taken for the HEARTHSTONE 1871 and 1872 for three dollars, (including Trumbull's Family Record and the splendid Engraving given to every subscriber for 1872) will be counted as one and a half subscription, in the competition for the prizes and GRAND PREMIUMS.

Send in subscriptions as fast as obtained, so that parties may receive the paper at once. Give the correct name and address of every subscriber. Use Bank drafts, Post Office money orders, or register your letters when remitting; otherwise the money is at your risk. All subscriptions will be reckoned from the 1st January, and the papers so sent, unless otherwise specified.

All who wish to canvass with greater speed and more success, should remit us \$1.00 for a copy of the Presentation Plate.

### NO ONE WHO SEES THE ENGRAVING CAN REFUSE TO SUBSCRIBE.

In fact, those who have the money should secure at once a number of the Presentation Plate, by sending as many dollars, so that while canvassing, they may close each transaction at once by leaving with the subscriber his copy of the engraving.

The money so received will be placed to your credit on account of your future subscribers, and you will have so much less to remit when sending the names. Opposite the names of those to whom you have delivered the Presentation Plate, state the fact.

Each competitor will state when first remitting, whether he or she prefers club terms, cash commission, or a prize; also indicate what prize is aimed at, so that as soon as the number of subscribers required is reached, the prize may be sent.

Watches will be sent by Express, or parcel post, prepaid. But the freight or express charges on sewing machines, or musical instruments from the factory to the residence of the winner, by the road and conveyance he will indicate, will be paid by him, and will be the only expense he will have to incur.

A FINE OLD MAN.—The following description of "a fine old man," by Mark Twain, is worth reading:—"John Wagner, the oldest man in Buffalo—one hundred and four years old—recently walked a mile and a half in two weeks. He is as cheerful and bright as any of these other old men that charge around in the newspapers, and in every way as remarkable. Last November he walked five blocks in a rainstorm, without any shelter but an umbrella, and cast his vote for Grant, remarking that he had voted for forty-seven Presidents—which was a lie. His "second crop" of rich brown hair arrived from New York yesterday, and he has a set of new teeth coming—from Philadelphia. He is to be married next week to a girl of one hundred and two years old, who still takes in washing. They have been engaged eighty years, but their parents persistently refused their consent until three days ago. John Wagner is two years older than the Rhode Island veteran, and yet has never tasted a drop of liquor in his life, unless you count whiskey."

OPHELIA. Alabama, has created a sensation by the new long-year mode of eating philippines in that place, as reported by the local editor of the Levening Star. The young lady takes the almond between her teeth, and the young gentleman bites it off.

A STRUCK IS THE.—On hearing the report that the shocking condition of the firemen's hose had resulted in the destruction of a large amount of property, a woman sat up all night during her husband's stockings.

Its action in building up constitutions broken down with Wasting Chronic Diseases, by fast living and bad habits, is truly extraordinary. It affects directly the immediate energizing life of the body.
