

The LECKIE SHOES

for men have won an enviable place in masculine esteem. In the first place they appeal on the score of distinctively good style. Next, as to wearing quality, they prove themselves trusty friends that a man can feel at home with, or rather in, for they're comfortable and easy. Lastly, they talk to his pocketbook, being money-savers, as they are made of the

finest quality of leather and their durability is of the strongest, the soles being sewn by the Goodyear Welt process.

If your shoe dealer does not carry them write for name of the nearest agency. Satisfaction guaranteed or your money back.
