

ARTICLE 8

The Commission shall not be subject to Federal, State, Provincial or local taxation in Canada or the United States on any real or personal property held by it or on any gift, bequest or devise to it of any personal or real property, or on its income, whether from Governmental appropriations, admission fees, concessions or donations. All personal property imported or introduced into Canada by the Commission for use in connection with the Park shall be free from customs duties. Further consideration shall be given to granting exemption from other taxes the imposition of which would be inconsistent with the functioning of the Commission.

ARTICLE 9

Arrangements may be made with the competent agencies of Canada and the United States for rendering, without reimbursement, such services as the Commission may request for the orderly development, maintenance and operation of the Park.

ARTICLE 10

The Commission shall take appropriate measures to emphasize the international nature of the Park.

ARTICLE 11

1. The Governments of Canada and the United States shall share equally the costs of developing the Roosevelt Campobello International Park and the annual cost of operating and maintaining the Park.

2. Any revenues derived from admission fees or concession operations of the Commission shall be transmitted in equal shares to the two Governments within 60 days of the end of the Commission's fiscal year. Other funds received by the Commission may be used to further the purposes of the Commission in accordance with the provisions of this agreement.

3. The Commission shall submit annually to the Canadian and United States Governments a budget covering total anticipated expenditures to be financed from all sources, and shall conduct its operations in accordance with the budget as approved by the two Governments.

4. The Commissioners shall receive no remuneration from the Commission; however, they may be paid reasonable per diem and travel expenses by the Commission.

ARTICLE 12

This agreement requires implementation by legislation in each country; it shall come into effect after the enactment of such legislation on a date to be fixed by an exchange of notes between the two Governments.
