

be furnished by applicants for permits, procedures to be followed in applying for and issuing permits, and requirements for carrying out the purposes and provisions of the Act.

Section 6 of the Export Permit Regulations (C.R.C., c.602) provides for the issuance of general permits authorizing the export of certain named goods to all destinations or to specified destinations.

The Regulations Respecting Trans-shipment (C.R.C., c.606) enable Canada to co-operate in a system agreed upon by a number of countries to prevent the diversion of strategic materials in transit.

The following is a statistical summary of applications for export permits processed during 1982 relating to both the Export Control List and the Area Control List:

Export permits issued.....	5,168
