

**ARTICLE 21**

**OTHER INCOME**

1. Subject to the provisions of paragraph 2, items of income of a resident of a Contracting State, wherever arising, not dealt with in the foregoing Articles of this Convention shall be taxable only in that State.

2. However, if such income is derived by a resident of a Contracting State from sources in the other Contracting State, such income may also be taxed in the State in which it arises and according to the law of that State. Where such income is income from a trust, other than a trust to which contributions were deductible, the tax so charged shall, if the income is taxable in the Contracting State in which the beneficial owner is a resident, not exceed 15 per cent of the gross amount of the income.
