

*Business of the House***BUSINESS OF THE HOUSE**

Mr. Churchill: I realize, Mr. Speaker, that we are working under an allocation of time order, but there is nothing in the rules which says that could not be changed or modified; so perhaps the leader of the house has some different business to announce for Monday.

Mr. McIlraith: Mr. Speaker, for Monday we propose submitting to the house for consider-

ation item No. 107 on government orders on the order paper, and if it is concluded during the day, then item 134.

Mr. Churchill: What about unemployment insurance and the dairy industry?

Mr. Hellyer: On Wednesday and Friday.

At six o'clock the house adjourned, without question put, pursuant to standing order.
