

August 13, 1923.

My dear Dick:-

We are glad to have your note of August 4th and to learn that you are able to spend a few days in Montreal before sailing on the 24th. We shall, therefore, look forward to seeing you at our home on the 20th when you arrive from New York, just one week from today. I think your train gets in about 8.30 in the morning. If you will let me know by which line you are coming from New York I shall be very glad to meet you.

With all good wishes to Mrs. Rankin, her mother and yourself, I am,

Yours faithfully,

R. F. Rankin, Esq.,
