To Sir A. Currie
Principal Mc Gill Univ.

Congratulations on your
splendid speech yesterday -
would it not have been appropriate
& ~~an~~ inspiring to have sung
God save the King for a closing,
which was rather flat as it was -

I was on the Campus hundreds
of times & never noticed the monument
to James Mc Gill. It is rather
inadequate at best, but if the tree
hindering it were cut down it would
show up at end of vista, as one
walked up the fine avenue of trees -

Please take suggestions in good part.

Yours etc. R. G. Ellis
