

June 27th, 1930.

Dr. C. F. Martin,
Dean of the Faculty of Medicine,
McGill University.

Dear Dean Martin,

I have your note of
yesterday with reference to Dr. Pedley.

This arrangement is
satisfactory, and you may say so to Dr. Pedley.

Thank you for his report,
which I shall be happy to study when I return.

Ever yours faithfully,

Principal.
