*Be it therefore enacted* by the Municipal Council of the Corporation of the Township  
 of Raleigh, in Council assembled, by virtue of and under an Act entitled an Act rees-  
 pecting the Municipal Institutions Act of the Province of Ontario.

1st. That the said Drains shall be made in accordance with the survey, levels and report  
 furnished to this Council by the said Sherman Malcolm, and that he be and he is  
 hereby appointed Commissioner to let the said Drains to the lowest bidder (not ex-  
 ceeding the estimate)—to take security from the contractor, with two good and suffi-  
 cient sureties for the due performance of the work—to grant orders on the Treasurer  
 therefor, less twenty per cent., until finally accepted by the Engineer.

2nd. That there shall be raised, levied and collected from and off the lots and parts  
 of lots to be benefitted by making the said Drains, the sum of \$1109.22, as set forth in  
 said Schedule, to be paid in manner following, subject to appeal as by law provided.

3rd. That the said sum of \$1109.22 shall be divided into seven equal annual instal-  
 ments, bearing interest not exceeding eight per cent. per annum; the first instalment  
 to be paid in 1871, and continued in each year until fully paid.

4th. That the Clerk shall in each year place the payments, with interest on the un-  
 paid principal on the Collector's Roll against such Lots or parts of Lots as aforesaid,  
 to be collected and paid over to the Treasurer, as other taxes are collected and paid  
 over, to form a sinking fund to meet the payments of the Debentures hereinafter  
 mentioned.

5th. That the sum of \$144 30, assessed upon the Road allowance, shall be paid by  
 the Treasurer of the Township out of the general funds, on the orders of the Reeve.

6th. That for the purpose of raising funds to complete the making of said Drains it  
 shall be lawful for the Council of the Corporation of the Township of Raleigh to raise  
 by way of loan, at a rate of interest not exceeding eight per cent. per annum, the sum  
 of \$950 70, for which amount the Reeve shall cause Debentures to be made out in  
 sums not less than \$100 each; to be under the Corporate seal and signed by the Reeve  
 and Treasurer, and made payable at the Merchants' Bank at Chatham, with coupons  
 attached for the interest.

7th. That in case any of the mentioned lands assessed for said Drains become non-  
 resident lands, the Collector may be unable to collect said assessments from the lands,  
 thereby causing a deficiency to meet the Debentures as they become due, it shall be  
 lawful for the Treasurer to pay from the general funds of the Township such sums as  
 will make good such deficiency, and he shall replace the same to the general funds so  
 soon as the said sums are collected from said lands.

8th. That this By-law shall be published in the Chatham Banner newspaper for six  
 weeks previous to the final passing thereof.

JOHN JENNER, Clerk.

STEPHEN WHITE, Reeve.
