"Be Cheerful" is the slegan for this year's

NATIONAL EXHIBITION

Canada's products will be wanted by Britain and her allies Canada will benefit thereby legitimately.

GERHARD HEINTZMAN, Limited

have decided to make this year's Exhibition noteworthy by offering SPECIAL DISCOUNTS

on their famous pianos. The standard price and high character of

Gerhard Heintzman Pianos

has been maintained for nearly half a century. The quality of Gerhard Heintsman planes will remain the same, but the price will be reduced, so that even those who felt a Gerhard Heintzman plane was beyond their reach in price will now have an opportunity of securing Canada's Best Piane at a price never before offered to the public.

THE OBJECT is to keep the hundreds of employes in our factories work, without regard to profits for ourselves.

Our exhibit is on the south side in the Manufacturers' Building at the Fair grounds, a duplicate exhibit is also at our only city salesrooms:
