

From information the Committee report, that some Canadian settlers may be had *Appendix.*  
on the following terms: No 39.

To obtain a grant of two hundred acres of land, free from quit-rent, for twenty years, paying a sol de cens. *Extracts from the British Evidence. Boundary of Canada.*

To have four Acres cleared, and a log-house built thereon, consisting of two apartments, and to have an out-house of logs to serve as a stable and barn, with three years' provisions for each family.

The Committee have further been informed, that loyalists will set down on that tract, on the following conditions:

That each family have a grant of land (200 acres) free from quit-rent, for ten years.

Twenty-five pounds to be advanced, to stock the farm; the lands and improvements to be security that the money shall be repaid in ten years, but without interest. That each family be conveyed to the land allotted to them without expense. To have two years' provision allowed them, and delivered at their settlements.

The lands from the mouth of Madawaska, down to the Great Fall on St. John's River, are of a superior quality; it is therefore presumed that settlers would sit down in that part on less encouragement than is above demanded.

By order of the Committee.
