"EMPIRE DAY" IN THE CITY OF TORONTO

Continued from Page 5.

...and School, so that little room was left for the public, and but few were present.

**Calisthenic Exercises.** The proceedings were opened by "The Ribbon Drill," a series of musical calisthenic exercises by a class of girls, which was very neatly and gracefully executed.

The girls who took part in this drill, and also those who took part in a subsequent "Fling Drill," were trained by Mrs. Somers, and reflected great credit on their painstaking teacher.

"Soldiers of the Queen" was then sung by the scholars, with splendid effect.

**Minister of Education.** Hon. Richard Harcourt was the first speaker, and was loudly applauded. He complimented the girls for the graceful manner in which they had performed the "Ribbon Drill," and on their effective singing.

Speaking of the war, and the endurance of the Canadian troops in South Africa, the announcement by him that he would request the teachers to give the scholars a full holiday on Friday, was greeted with a storm of applause.

**Soldiers in Embryo.** A squad of boys next marched to the platform and recited the manual with Lee-Enfield rifles, which they handled with much skill. The "Maple Leaf" and "Bris Grenadiers" were then sung by the scholars with much vigor.

**Prof. Clark's Address.** Prof. Clark delivered the next address, which was of an admirable character, containing much wholesome advice for the young people. He urged them to cultivate the noblest qualities, first among which he placed courage. They should also be truthful, as scarcely anything in his opinion, was worse than the vice of insincerity.

Duty also stood high in the speaker's mind, and he exhorted the boys to equal faithfulness, whether in public or in private. Order and neatness should be cultivated. The importance of courtesy on all occasions was emphasized.

A class of sixteen girls then marched on to the platform, each carrying a "Union Jack," and performed a number of fancy marching exercises with splendid grace. The drill was much admired, and the pretty performers were warmly applauded.

**A Hint to Ontario Boys.** Dr. Parkin, principal of U. C. College, followed, being introduced in flattering terms by the Minister of Education. While the boys from the Model School were the best that came to the U. C. College, he noticed this great difference between the boys in Ontario and the boys in the Maritime Province where he comes every year, viz., absence of ambition among Ontario boys. At McGill College he had been informed that the boys of that Province carried off all the best prizes. Dr. Parkin deplored the lack of ambition on the part of the public school boys of this Province, and speaking of Imperial matters, he urged the boys and girls to be worthy of the Empire which they belonged to. The course of the three hundred who died at Thermopylae was held up as a model for the boys to emulate. They should all learn to ride, shoot, ditch and tell the truth.

The proceedings were closed as the National Anthem.

THE CHILDREN IN MASSEY HALL Gave a Great Entertainment and a Splendid Reception to Canada's Soldiers in Africa.

It would have been Old King's world of good to have dropped in to Massey Hall for half an hour or so last night, the inspiring sight of eight hundred children singing patriotic songs, waving Union Jacks and executing fancy marches and military drills would have converted the old rascal on the spot. Military and national spectacles were never more popular, and the vast audience in Massey Hall saw a good one last night.

It is hard to say which of the many excellent features was the best, but perhaps the one that scored the hit of the evening was the appearance of Frank Uriel (clever of John-street School, a very diminutive specimen of humanity, in Greaser uniform and huge bushy, who led a squad of armed Grenadiers, who looked, by contrast, like giants on the platform, faced them, and sang in a childish treble, "The Man Behind the Gun," to drum accompaniment. This brought down the house.

**Little Girls Did Well.** The prettiest feature was undoubtedly the execution of ring exercises by a large class of handsome young maidens dressed in pink. Their performance captivated all present, and was as graceful an exhibition as has been seen here for a long time. It might well be repeated at an early occasion.

The most striking feature was the exhibition of eight singing from musical signs, given by the chorus, who sang remarkably true, and without hesitation.

**MAGNIFICENT GIFT TO MOTHERS.** Doctor Hammond-Hall's new book "Motherhood," in library style, cloth bound, finely illustrated, and containing important and interesting information to every mother, on the management of infancy and childhood, in health and disease, with choice recipes, etc. One book given free to each mother who sends to cents to cover mailing. None given under any other conditions. (22 B12) British Chemists Company, Toronto, Can.

**ANOTHER INDICTMENT.** This Time the Toronto and Suburban Companies Are Before the Court—Willie Kieley's Death.

The death of little Willie Kieley on April 14 last was yesterday afternoon taken by County Crown Attorney Dewar as the basis for presenting an indictment against the Toronto and Suburban Railway Company, charging the company with maintaining a dangerous and unsafe condition, and omit to construct appliances in operating the said street railway, so as not to endanger the lives of pedestrians and to wit: by neglecting to provide or maintain proper or improved fenders or appliances to avoid danger to human life.

In front of the said cars of the said company, and by neglecting to provide proper fenders and brakes, and so did unlawfully omit to discharge a legal duty. The indictment was laid before the grand jury of the Criminal Sessions and, after several witnesses had been examined, a true bill was found.

**SCORES' High Class Cash Tailors.** "GOD SAVE THE QUEEN" Store Closed all Day. SCORES', 77 King St. W.

...sire which they had never been practiced in. Space will not permit of mention of individual features, but all were good. The first half of the program was devoted to songs and choruses, in which the soloists were: Jack Charles of George-street School, Corneila Heintzman of Wichester-street School, who sang with unusual finish, and did not cut of her notes, as is often heard; Lucy Hudson of Palmerston-street School, who sang with admirable intonation. The choruses were excellently sung and loudly applauded.

**Dr. Underland's Address.** Dr. Underland's address was given by pupils of Major Thompson, but the boys seemed to be confused by the variety of signals given, and would probably have succeeded better by taking their time from the piano.

The second part of the program consisted of an illustration of making the flag by classes of girls, representing England, Scotland, Ireland, Wales, Australia, India, Africa and Canada. The flag was represented by Miss Marie Brimston, suitably attired, who occupied a pedestal in the centre of the platform. The various songs, representing the various elements that form the Empire, were sung by Thomas Davis of Myerson School, Jean Matheson of Inko-street School, Lucia Hunt of Parliament-street School, Douglas Knight of Church-street School, William Collett of Wellesley School, Josie Leslie of Hamilton-street School, Keith MacDuff of Dufferin School, Ethelwyn Bradshaw of Huron-street School and Muriel Jarrot of Manningham School.

**Substantial Aid for Soldiers.** In the intermission between the first and second parts, Chairman C. A. B. of the Concert Committee presented City Treasurer Coady with a cheque for \$125, which had been contributed by the scholars of the Public Schools for relief of the Canadian soldiers in South Africa.

Mr. A. T. Crigan, who trained and led the chorus, deserves credit for his very successful and successful accompaniment. Mrs. Mabel Bastedo Mills and Mrs. B. F. Nichols.

**Empire Day at De La Salle.** The Literary Society of De La Salle Institute held an Empire Day at the afternoon. The chair was occupied by Mr. H. Rogan, one of the senior members, who delivered an address on "Empire Day." He opened his address with comments upon the importance of the day and the importance of Canada in the Empire. The lecture touched upon the beauties of Musakoka and other proudest points, and was most pronounced by C. Cummins, followed by E. Byrnes. Other members followed with short speeches, all touching upon our duty to the Queen and the unity of the Empire, also of the part being taken by our Canadian soldiers in the war in South Africa.

**St. Joseph's High School.** The ladies of St. Joseph's High School held a celebration in the afternoon. Several of the young ladies rendered patriotic recitations and songs. The concert closed by all singing "God Save the Queen."

**At the Voluntary School.** The pupils of the Avenue-road Voluntary Public School duly commemorated Empire Day, and were interested spectators at the review of the Public School children, which was held in the afternoon at the Soldiers' Monument in Queen's Park.

HOW TO SPEND THE HOLIDAY.

Take Your Choice of Amusements—There is Something in This Program for People of Every Taste.

Any number of good attractions hold out invitations to Torontonians to have a thoroughly good time in celebrating the 51st birthday of Her Most Gracious Majesty. Half the city will turn out this morning to witness the grand military celebration, which will take place on the University campus, Queen's Park, where the soldiers of Toronto Garrison will fire a feu-de-jolie, the royal salute, at noon, after marching past before His Excellency the Governor-General at 11.45 a.m.

**At the Island.** It will be the great day for the island. There are special attractions at Hanlan's Point, including a balloon ascension and parachute jump, at 2 p.m. A great spectacular military entertainment and fireworks in the evening.

**At Mount Park.** A great program has been arranged for Mount Park, and a band will be in attendance during the afternoon at High Park. Many Nice Treats.

As the weather man promises the best weather imaginable, the boat trips—and there are many of them—will doubtless be liberally patronized. The Niagara River Line are running a cheap trip to the Falls and Buffalo, the Chieftain leaving long-street wharf at 7 a.m. and 2 p.m.

The Modjeska and Macdonalds will carry large crowds to the opening of Dundurn Park, Hamilton, return fare being 50 cents. Boats leave at 7.30 and 11 a.m., 2, 5.10 and 8.15 p.m.

The Garden City leaves at 2 p.m. for Whitby and Downsview, return fare 50 cents. The Lakeside leaves for St. Catharines at 7 a.m., return fare 75 cents, and at 2 p.m. The White Star runs to Oakville and Lorne Park at 10.30 a.m. and 8 p.m. to Burlington, Oakville, 40 cents; Lorne Park, 30 cents.

On the Grand Trunk and C.P.M. return tickets will be issued at single fare. The Metropolitan Railway also announces return trips between Toronto and Thornhill and points north at single fare.

Long Branch summer resort opens to-day, and can be reached by street car.

**At the Theatres.** There are attractions at all the theatres, excepting the Grand. "Sapho" will be produced at the Toronto at 2 and 8 p.m. At Shea's Theatre there will be the usual two performances. At the Grand Opera House, "The Good Shepherd" will give performances afternoon and evening, and at the Princess Theatre in the evening. The Grand Opera House will renew her acquaintance with Toronto theatre-goers and will appear in "Demimonde" at 8 p.m.

**MAJOR-GEN. BADEN-POWELL'S STORY OF MAFEKING'S RELIEF**

Shelled the Boers Out of Their Head Laager and Nearly Captured General Snyman—Townspople, He Says, Were Heartily Grateful.

LONDON, May 23.—(11.50 a.m.)—The War Office issued a despatch from Lord Roberts, under date of Hening's April, May 22, announcing the receipt by him of the following message from Major-General Baden-Powell:

"Mafeking, May 17.—I am happy to inform you that Mafeking was successfully relieved on the morning of May 17. The Boer columns joined hands on May 16 and attacked the town yesterday, but were repulsed with loss. The British casualties were three killed and 22 wounded.

"The relieving force marched into Mafeking at 9 o'clock this morning, and the Boer columns were completely routed and scattered. We shelled them out, and nearly captured Snyman, and took one gun, a flag and a large amount of ammunition, stores, etc. The Boers were killed and wounded. The Boer force appeared to be retreating in all directions, except one commando, which I sent to the rear to cover the retreat of the remainder.

"Captain MacLaren and Corporal Murray captured the Boer flag, and the Boers were doing well. The townspeople and the Garrison of Mafeking are heartily grateful for their relief."

**Hamilton at Helibron.** Lord Roberts' despatch further says: "The Hamiltons reached Helibron this morning after a series of engagements with a Boer force under De Wet, who is retreating. The Boers were killed and wounded. The Boer force appeared to be retreating in all directions, except one commando, which I sent to the rear to cover the retreat of the remainder.

**Wilson Goes on the Stand.** The trial of George McC. Wilson, ex-paying teller of the Merchants Bank, who is alleged to have stolen the \$100,000 package, which disappeared on April 18, was commenced this morning in a deep scheme to poison the mind of the public against the Lieutenant-Governor.

**John D. Anker's Death.** An inquest on the body of John D. Anker, who died as the result of injuries sustained by being run down by a C.P.R. train at the foot of Spadina avenue, was commenced yesterday at the Emergency Hospital. After the jury viewed the remains and the testimony of the hospital doctor, Dr. J. H. Allen, Coroner Cotton adjourned the inquiry until next Wednesday.

**What Fred Peters Said.** At a meeting held last night at the Hotel Fred Peters said one great purpose of all the different parties running against Martin will be to organize out of the factions a united party, which will offer detection to all legislation now proposed for the relief of Martin. He said that the opposition to all legislation now proposed for the relief of Martin is not a conspiracy, but a measure proposed, but condemn everything because it is Martin who proposes it.

**Martin Was Assailed.** At a meeting held near Victoria last night some rowdies from the city assailed Martin with miscellaneous missiles, including eggs, vegetables, etc. Conservatives held a conference, and decided to eject the disorderly element. They assured Martin that they had no sympathy with such tactics. Joe then made an excellent speech. He said this was the 40th meeting he had held, and in the roughest meeting he had held, this was the first time he had received such treatment. It reminded him of the cultured city of Victoria to send a lot of toughs to meet his arguments with personal violence and assault. He rubbed it in hard in this strain for 20 minutes. There will probably be no more of that sort of thing in his campaign.

**The Conservatives are making use of the appointment of a Conservative Minister to the New Westminster Daily Columbian, as postmaster of Westminster, vice C. H. Brown. The Liberal press says this proves that the Dominion Government is not so cold towards Joe as has been alleged. It is a published letter as a supporter of Martin to the post. Brown's action in resigning is certainly strange, and it is a published letter as a supporter of Martin to the post. Brown's action in resigning is certainly strange, and it is a published letter as a supporter of Martin to the post.**

**J. H. Turner, ex-Premier, started the province yesterday with grave charges against the Government. He said that the Turner Government was dismissed and tried to negotiate for a seat in the Cabinet for his brother Willie. Tommy Molones stamped his foot in a published letter as a supporter of Martin to the post. Brown's action in resigning is certainly strange, and it is a published letter as a supporter of Martin to the post.**
