

PICNIC.

Our pic-nic was held on June 25th, at Isle Gros Bois. As the weather was most favorable there was a large attendance of teachers, scholars and friends of the school.

LIBRARY.

Our library having been recently replenished with a number of choice books, will be re-opened after the new year, when we trust that the scholars will appreciate the efforts made by the teachers in this direction. The library now contains a large number of volumes of choice reading matter.

PAPERS.

The following papers have been regularly supplied during the year viz:—Band of Hope Review, British Workman, British Workwoman, Children's Friend, Children's Record, also numerous tracts.

PRIZES.

Prizes will be distributed to-night for the correct repetition of the golden text for the year, also for repetition of the shorter catechism, and a silver medal will be given to the one bringing in the largest number of new scholars during the year.

DORCAS.

The lady teachers have met every Tuesday since October 8th as a Dorcas Society, and clothing, boots, etc., are distributed to needy and deserving cases.

BAND OF HOPE

The meetings of the Band of Hope were resumed on October 16th, and have been held fortnightly during the season. An interesting programme and an address bearing on the benefits of a temperate life are given at each meeting. The attendance is very satisfactory, and we trust that much good will be accomplished through these gatherings. The teachers extend a cordial invitation to the parents and friends of the scholars to attend.
