THE NEW G. T. R. RULES. The trainmen employed on the middle division of the Grand Trunk Railway are in a flutter over the report that the new train running rules adopted by the Grand Trunk system are to be put into effect at once. Mr. Fitzhugh, however, says the new train running rules will not be put into operation till the new employes are thoroughly conversant with them. Every employe on the entire system will have to pass an examination, to test his acquaintance with the new rules. If a man, however, fails to pass, he will be given another chance, and the railway company will, in fact, instruct the men themselves. All the men, though, will have to have a competent acquaintance with the rules.

The drawing-room was very beautifully decorated with flowers and plants for the oc-casion, and while the Wedding March was being rendered by Miss Edna, Flint, the bride entered, leaning on the arm of her cousin, Mr. Robert Blinn, who gave her away. Miss Fanny Flint, sister of the bride, acted as bridesmaid, while little Miss Mary Blinn made a sweet maid of honor. The groom was assisted by his cousin, Mr. Basset Blewett, of St. Thomas. The bride looked lovely, attired in a white silk gown and bridal veil, and carrying a bouquet of bridal roses. The bridesmaid was charming in a dress of white organdle and carried pink carnations. After the ceremony a dainty lunch was served. The young couple were the happy recipients of many handsome and expensive presents. Mr. and Mrs. Baker left on the 8 o'clock evening train for a trip west, amid a shower of rice and with the best wishes of their many friends.

Arrival of Two Steamers With Klondike Passengers and Their Diggings -A Wail From Kotzebue Sound.

Seattle, Wash., Oct. 20.-The steamer Roanoke arrived yesterday from St. Michael with about 500 passengers and gold dust, estimated at \$2,000,000. Of this the Canadian Bank of Commerce has \$600,000, and the Bank of British North America \$750,000. The richest individual on board is said to be K. Langlois, of Tacoma, Wash., who is credited with \$100,000. The Roanoke left St. Michaels on Oct. 8.

The steamers Portland, Protection and Garonne were in port. They expected to leave in a few days. All sailing vessels had left St. Michaels, and St. Michaels was soon to be deserted for the winter.

Victoria, B. C., Oct. 20.-The steamer Danube has reached port with between \$125,000 and \$150,000 in Klondike gold dust and paper. There were about 30 miners on board. Reports say that a great improvement has been noticed in the postoffice since Mr. Ogilvie reorganized the staff.

Tacoma, Wash., Oct. 20. - Charles Farnsworth, of Massachusette, has returned from Kotzebue Sound. He says that eight hundred hungry, and, for the most part penniless, prospectors are living in tents there. He believes that before this time starvation exists among them. Among them were several dozen women and children.

### \$113,000 IN A DAY

New York, Oct. 20 .- At the Christian and Missionary Alliance, Rev. A. B. Simpson proved himself a wonder as a money-raiser. After depicting in glowing phrases what the god of battles did for the United States in the Philippines, Porto Rico and Cuba, and making a fervid plea for money to send missionaries to those parts, he ordered the brethren to pass the hat. Cash came flying in in fistfulls, bills in wads, and checks galore, until the One poor washerwoman in the excite-

THEY ATE TOADSTOOLS.

Trenton, N. J., Oct. 20.—The family of Harry Goldbach, consisting of seven persons, is seriously ill from eating toadstools. On Tuesday afternoon Mrs. Goldbach purchased a basket of what she supposed were mushrooms from a peddler and cooked them for supper. The family ate heartly of them, and were soon taken violently ill. Struble and Schoening worked over-the sick ones all night. A slight improvement in the condition of the parents is reported, but they are not yet out of danger.

LIFE SAVED.-Mr. James Bryson Cameron writes: "I was confined to my bed with inflammation of the lungs and was given up by physicians. A neighbor advised me to try Dr. Thomas' Eclectric Oil, stating that his wife had used it for a throat trouble with the best results. Acting on this advice, I procured the medicine, and less than half a bottle cured me; I certainly believe it saved my life. It was with reluctance that I consented to a trial, as I was reduced to such a state that I doubted the power of any remedy to do me good. There are 40,000 native pupils in the

Sunday schools of the Fiji Islands. FAGGED OUT .- None but those who have become fagged out know what a depressed, miserable feeling it is. All Ont., says: "I just want to let suffering humanity know what Dr. Chase's Kidney-Liver Pills have done for me. I have used them with more hand!"
