

SNAP-SHOTS AT VARIOUS SPORTS

Tenpins will be more popular than ever in London this winter. It is a little warm for the game just yet.

They have some great bowling on the green under arc lights at the Thistle Club bowls every fine evening.

The Forest City Quilting Club, which has been greatly harassed by reason of having to move so often, has at last located on the members sincerely hope will prove to be a permanent ground, on Richmond street, near Piccadilly. The club will hold its annual tournament next month, and in addition to the beautiful Hyman trophy, over \$75 worth of cash prizes will be given. Practice will begin tonight.

Local sports are slightly dull at present, but the outlook for the coming winter is fairly good.

The tennis tournament is still in progress at the London Hunt Club grounds.

A Toronto sportsman has discovered a way to beat the races. He says: Procure a large sized black jack, proceed to the race track, walk up behind a bookmaker, and seek him with your weapon. Be sure and examine his money before taking it away from the track, as it is liable to be counterfeit.

A man who can't lose cheerfully shouldn't gamble. All those in this vicinity (or any other) who can lose a thousand dollars, more or less, and grin over it, will be presented with a free membership card to the Ananias Club of New York.

"Did Sherring kneel to the King of Grease on the occasion of the Olympic games?" asks a Constant Reader. Answer—Accounts of Sherring's doings while in Greece differ. At all events, he showed the king's subjects his heels in the Marathon race.

Nolan and Nelson have evidently opened their mouths too wide since that Goldfield affair. Siler, the Chicago referee, has entered suit against them for slander.

The time for whist tournaments is fast approaching. London has some crack players.

"Variety is the spice of sports," so 'tis said, but facts seldom go to prove this. Take a turfman, for instance. He will talk horse by the yard. Spring hockey or some other game on him and he'll look sour. Every game has its devotees. Quilting is a good, clean and interesting game, and it should receive more encouragement from the public than it has in the past.

Battling Nelson nearly lost his laurels shortly after he had won them from J. Britt.

Nolan, Nelson's manager, put him up against Kid Sullivan, of Washington, before Herford's club in Baltimore, for a six-round go. Nelson was hog-fat and Sullivan was trained to the hour. In the third round Sullivan butted Nelson. Just as Bat turned to appeal to the referee, who, by the way, was part manager of Sullivan, the Kid swung on Nelson and put him through the ropes. Nelson managed to get a draw out of it, but it was a close call for him.

Some baseball players can't keep their eyes on anything but the calendar. They're always looking for pay-day. Possibly that is the reason there are so many "stickers." A railroad train is not the easiest place in the world to pass away time. Consequently a little game just for pastime is quite common on the road. Many a player in the big leagues is practically broke at the end of the season. "Honus" Wagner is a thrifty player, and besides commanding a large salary from the Pittsburgh club, he makes expenses, and then some, by indulging in the exciting game of basketball during the winter months.

THISTLES CAPTURE THE BANK TROPHY

Do So by Trimming Asylum Lawn Bowlers—An Easy Victory.

The Bank of Toronto trophy was yesterday won by the Thistle Club, when two rinks of the Scotchmen defeated the Asylum by 28 shots. Only one more game remains to be played in the series, but the ownership of the trophy will be in no way affected by it. Had the Thistles lost yesterday's game, and also the remaining one with the Asylum, these clubs and the Londons would have been tied for the prize. Yesterday's score:

A JOCKEY CRUSHED TO DEATH IN RACE

Another Sustains Fracture of the Skull in a Spill at Gravesend.

New York, Sept. 21.—Jockey Bertrand Freishon was instantly killed, and Jockey C. Ross sustained a fracture of the skull as a result of an accident in the fifth race at Gravesend today. G. Burns, who also fell, escaped injury.

The fifth race, which was a selling event for 3-year-olds, and upward, at one mile and a quarter, drew out a field of ten starters. Freishon had the mount on Joe Levy, C. Ross on Louis H., and G. Burns on Sonoma Belle. These three horses were last away from the post, and trailing their field. As the field was making the paddock and in full view of the grand stand, Freishon, who was on the rail, crossed his legs and fell, and in falling bumped into Sonoma Belle, causing her to fall. Louis H., who was directly behind Joe Levy, stepped on Freishon, crushing him, and fell over Joe Levy. G. Burns sat up in the middle of the track, while Freishon and Ross never moved. Ross was removed to the Emergency Hospital at Coney Island. Freishon was 16 years old, and was a native of New Orleans, being brought north by M. T. Hayman.

HERD TO PLAY FOR CHAMPIONSHIP

Series of Six Games Arranged with Columbus for Class A League Honors.

Buffalo, N. Y., Sept. 21.—All arrangements for the post-season series of games between the Buffalo team, winners of the Eastern League pennant, and the Columbus team, winners of the American Association pennant, have been completed. Six games will be played, three in Buffalo and three in Columbus. An extra one, if needed, will be decided in some city to be agreed upon later. All receipts will go to the players, and the winners of the series will receive 60 per cent of the receipts, while the losers will receive 40 per cent. The games will be for the world's championship of class A leagues. The first three games will be played in Buffalo on Sept. 27, 28 and 29. The next three will be decided in Columbus on Sept. 30, Oct. 1 and 2. Joe Levy, who was on the rail, crossed his legs and fell, and in falling bumped into Sonoma Belle, causing her to fall. Louis H., who was directly behind Joe Levy, stepped on Freishon, crushing him, and fell over Joe Levy. G. Burns sat up in the middle of the track, while Freishon and Ross never moved. Ross was removed to the Emergency Hospital at Coney Island. Freishon was 16 years old, and was a native of New Orleans, being brought north by M. T. Hayman.

Record Chopped by Sweet Marie in Splendid Trial

Great Mare Trots Mile in Quarter of a Second Better Than Crescens.

Columbus, O., Sept. 21.—Sweet Marie, in front of the largest crowd ever gathered at the Columbus track, today was successful in not only lowering her own record of 2:02 3-4, but in establishing a new trotting mark for the course. Her mile in 2:02 is a quarter of a second faster than the time Crescens made here in 1901, when that became the champion trotter of the world. Sweet Marie was accompanied by a runner alongside, but there was no windmill to help her.

The Abbe became the champion of all three-year-old trotting stallions when he easily, in 2:14 1-4, won the deciding heat of the Kentucky Stock Farm Futurity purse. His share was \$4,000. He is a full brother of The Abbott and is owned by the Ideal farm at East Aurora, N. Y.

Lillie R. became a 2:09-class trotter when she won the first heat of the afternoon, the one that decided the 2:15 trot. She was the favorite in the betting today.

Capt. Derby, a well-backed second choice in the Hotel Hartman consolation race, won the event in straight heats, and took a record of 2:06 3-4 in the middle heat.

Ethel L. took first money in the 2:19 trot. Budd was played to win and was three times second.

The fastest pacing mile of the meeting was shown in the first heat of the free-for-all, when Ecstacy won in 2:02 by a length from Gratt, the favorite. Summaries:

THE RUGBY BOYS ARE SHOWING UP WELL IN THE PRACTICES

The list of candidates for positions on the Forest City football team, which is practicing faithfully every evening, is as follows:

Backs—Thomson, Canfield, Whetter, Hague, Spry, McCall, Tanner and Elliott.

Forwards—Whitton, Smith, Moore, Chisholm, Watson, Carmichael, Law, McGregor, Sage, Gilmour, Craig, Carr, Rogers, Pearson, Blackwell, Wilson, Lucas, Tovey, Fowler, Mortimore, Stewart and Butler.

Of the new men, the particular bright stars in practice are Pete Moore, Sage, McCall and Gilmour. If they show up nearly as good in the game as they do

in practice they will be whirlwinds. The captain will be chosen early next week.

"Bitty" Rowland sends in the following:

"It is expected that early next week practice will commence by electric light, when it is to be hoped more of the boys will be able to attend. If we are going to make any kind of a showing it is necessary for a regular attendance at practice. There is an abundance of good material in the city, and if the boys would lay aside their modesty and come out and lend a hand, the football boys would feel more like exerting themselves."

FIRST OF SERIES WENT TO CLIPPER

Dr. Wood's Matinee Horse Defeated Pearl Carter at Queen's Park Yesterday.

The first of the series of races for the Free Press Cup was held at Queen's Park yesterday afternoon, and was won by Clipper. Dr. Fred L. Wood's matinee horse, while Clipper took three of the four heats, he had to work every foot of the way to do so, being hard pressed by Pearl Carter, Willie Robinson's fast mare, Bert Wilcox was starter.

The track was in poor condition, but the time was good, considering this fact. A small crowd was present to witness the going.

In the first heat, the horses got away to a good start. Pearl Carter had the pole, and Clipper was on the outside. Pearl Carter took the first heat in 1:09; quarter in :34.

Golden Text had the pole in the second heat, with Clipper next. Clipper won by a short head. Time, 1:09 3-4; quarter in :35.

Clipper took the pole in the third, and won by a nose from Pearl Carter. It looked like a tie heat, but Clipper got the decision. Time, 1:10; quarter :35 1-4.

Clipper took the last heat in easy fashion, after Pearl Carter broke in the stretch. Time, 1:09 3-4; quarter :35.

Summary: Clipper, Dr. F. L. Wood..... 2 1 1 1 Golden Text, Mr. James McCarty..... 3 3 3 3 Pearl Carter, Mr. W. E. Robinson..... 1 2 2 2 Inson..... 1 2 2 2

The next race of the series will be held on Tuesday afternoon at 2:30 o'clock.

MISSED DEATH BY A HAIR'S BREADTH

Vanderbilt Cup Racers Had Close Call at Dead Man's Curve.

New York, Sept. 21.—Whirling at a terrific clip today around Dead Man's Curve, "Wallie" Owens' 80-horsepower Maxwell car suddenly blew out a cylinder head. It careened over to the side of the road, and Owen and his mechanic were hurled out.

A grass bank saved Owen and his mechanic from serious injury. Their car swerved from the shock of the cylinder head explosion, which was heard for a mile around, and skidded on two wheels. The machine will probably be unfit to enter tomorrow's race.</
