LOCAL MARKET.

Monday, May 6. With the exception of live hogs there was very little other business transacted at the market today.

There were only two loads of hay offered, which sold at \$13 50 and \$14 per ton. There should be a good demand for hay tomorrow. A couple of loads of oats were marketed. They were sold at \$1 32 to \$1 33 per cwt.

Mr. D. McIntyre had 130 hogs weighat the city scales. The prices paid for the same were \$6 25 per cwt for seects and \$4 50 for fat sows. The tendency is for lower figures.
