## MACSWINEY SLEPT.

LONDON, Sept. 30.—The bulleting is  
used by the Irish Self-Determination  
League show that after a brighter day  
Lord Mayor MacSwiney suffered from  
sudden weakness at 8 o'clock tonight,  
after which he slept.SIR ADAM MAY  
SEEK A SEAT IN  
NORTHEAST TORONTOHas Promised Reply To G. W.  
V. A. Representatives in  
48 Hours.TORONTO, Sept. 30.—Sir Adam  
Beck, chairman of the Ontario Hydro-  
Electric Power Commission, last night  
promised representatives of the central  
branch of the Great War Veterans'  
Association that he would notify them  
in 48 hours whether or not he would  
accept a nomination for the vacancy  
in Northeast Toronto, created by the  
resignation of Hon. Dr. H. J. Cody,  
former minister of education. The sol-  
dier delegation offered the nomination  
to Sir Adam.  
Sir Adam's decision was not known  
at a late hour tonight.MUST PROVE IT  
WAS DONE FOR  
CORRUPT PURPOSEDictum of Chief Justice in  
the Dufferin Election  
Argument.TORONTO, Sept. 30.—Argument by  
counsel in the election trial which took  
place at Orangeville early this week  
was heard today at Osgoode Hall here  
by Chief Justice Sir William Mulock  
and Mr. Justice Rose, who had pre-  
sided at the election court in Orange-  
ville.  
Gordon N. Shaver, counsel for the  
petitioner, John Reburn, defeated Con-  
servative candidate in the Dufferin  
County provincial election of October  
20 last, spoke for more than three  
hours and a half. Gordon Waldron,  
solicitor for the United Farmers of  
Ontario, represented Thomas Slack,  
U. F. O. member for Dufferin. The  
judges reserved their decision.  
Mr. Shaver claimed that the promise  
made by Mr. Slack to return sub-  
scriptions made by friends in the rid-  
ing among the farmers' clubs if he  
were elected was a corrupt act and  
that while the elections act con-  
templated subscriptions, if these were paid  
back is constituted a bribe.  
Must Prove Corrupt Purpose.  
With reference to the subscriptions,  
Sir William Mulock remarked:  
"place the worst construction on the  
circumstances that you can; these men  
were willing and keen to vote and  
work for Mr. Slack."  
As to Mr. Shaver's contention that  
the repayment of the subscriptions con-  
stituted a bribe, Sir William said: "It  
cannot make it a corrupt act unless you  
can prove it was done for a corrupt  
purpose."AN INTERESTING REPORT.  
TORONTO, Sept. 30.—One of the  
most interesting reports presented to  
the Women's Missionary Society board  
of managers' annual meeting here to-  
day was that of the department of the  
stranger by Mrs. W. E. Prescott, Lon-  
don, Ontario. This was the first re-  
port of the new department, and it  
stated that one of the special features  
of the work was the welcoming of  
immigrants. Officers will be elected  
tomorrow.
