DUNLOP TIRES

"I Consider Dunlop the Leader Because who Comes First, Ordinarily Knows the Most, Gives the Greatest."
—Handy Andy.

"SPECIAL" **"TRACTION TREAD"**

No matter what other tire makers may do for the betterment of their product, a close examination generally reveals the fact that we have been offering similar, or greater, virtues in our product for a long time previous.

This is simply because we are the pioneers of the industry in Canada. If anybody should know tire-making from A to Z we should.

We have been manufacturing tires in Canada for nearly a quarter of a century. No other tire company has been making tires in Canada for half that length of time.

"Traction" and "Special" are in the forefront to-day, because Dunlop has always led the way in tire betterments.
