New Honors for Local Soldier

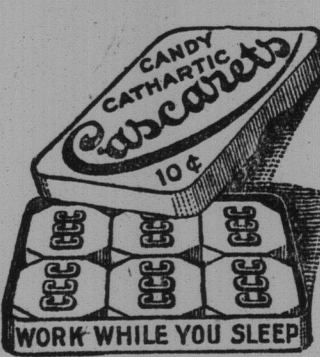

Sergt-Major Nuttall Wins Second Medal—Pte. Jacob Smith of 26th Killed in Action—Progress of Recruiting

Few men have gone overseas from eastern Canada who have made such a splendid record on the firing line as Sergt-Major John P. Nuttall, son of Mr. and Mrs. John T. Nuttall, of 140 City Road. News reached the city yesterday that on October 26, Sergt-Major Nuttall was awarded the distinguished conduct medal for gallantry on the field of battle. Nor is this the first decoration which the young St. John hero has won. From the first day he set foot on the Flanders front he was marked for rapid promotion and his absolute lack of fear soon caused him to stand out above all

BEST LIVER AND BOWEL LAXATIVE FOR FAMILY USE

"Cascarets" Regulate Women, Men and Children Without Injury

Take When Bilious, Headachy, for Colds, Bad Breath, Sour Stomach.

Instead of nasty, harsh pills, salts, castor oil or dangerous calomel, why don't you keep Cascarets handy in your home? Cascarets act on the liver and thirty feet of bowels so gently you don't feel any pain. You have taken a cathartic, but they act thoroughly and can be depended upon when a good liver and bowel cleansing is necessary—they move the bile and poison from the bowels without griping and sweeten the stomach. You eat one or two at night like candy and you wake up feeling fine, the headache, biliousness, bad breath, coated tongue, sour stomach, constipation, or bad cold disappears. Mothers should give Cascarets, sick, feverish or bilious children a whole week. The company totals follow: St. John, N.B. 11, Westmount, N.B. 11, and for the little folks.

LOCAL NEWS

About sixty members of the senior class of the Y. M. C. A. were entertained last evening at a social hour, after the close of the class exercises.

At yesterday's class for nature study in the Natural History museum, domestic animals were discussed. A brief talk, given by the curator, William McIntosh, was illustrated with slides.

Rev. J. C. B. Appel was made the recipient of a handsome purse of gold last evening by the members of the congregation of the Christian church, at his home in Victoria street. The occasion was the twentieth anniversary of his pastorate of that church.

Charged with a statutory offence, Mrs. Peter Boudreau, 408 Main street, was arrested last night by Detectives Barrett and Briggs. Four children, one of whom is a cripple, were also taken and handed over to the Children's Aid Society. A male border in the house was also arrested.

Three crews of men are now at work on the elevator site at Reed's Point and, with favorable conditions, it is hoped to have the railroad siding ready for use by the latter part of the week. As soon as this is done the work will go forward with a rush.

A package was dropped from the rear of P. A. Dykeman's warehouse last evening when Miss Annie McLaughlin, a waitress in the Victoria Hotel, was going out by the rear of the building. The package struck Miss McLaughlin on the head and injured her quite badly. She was removed to her home in Leinster street in a coach.

The Baptist ministers of the city held their monthly meeting at the home of Rev. Mr. and Mrs. D. J. MacPherson, 165 Leinster street, yesterday afternoon. A paper on the subject of Eugenics, written by Rev. P. R. Hayward, was read by his wife, in the absence of her husband.

A FEARLESS PHYSICIAN

Such a physician recently remarked: "The wonderful power of Lydia E. Pinkham's Vegetable Compound over diseases of women is not because it is a stimulant, nor because it is a palliative, but simply because it cures the very elements needed to tone up the female system and strengthen the depleted organism." Of course that is so, otherwise it could not succeed as it has.

HEAD APOSTLE OF MORMON CHURCH DEAD

Francis M. Lyman, president of the Quorum of the Twelve Apostles of the Mormon Church and next in line to President Joseph F. Smith, died in Salt Lake City on last Saturday after a two days' illness from pneumonia in his seventy-seventh year.

He became widely known when he confessed that he was a polygamist at the Reel Smoot hearing of the United States Senate Committee on Privileges and Elections, and admitted that he had had three wives, two of whom were living. He also said that he was the father of ten sons and twelve daughters. In addition, it was brought out at the hearing that Joseph F. Smith and the Apostles, in direct succession, were also living in polygamy.

Officers and men of the 26th battalion who have returned home, after being wounded, will be pleased to learn that the medical officer of Lieut. Colonel McAvity's battalion, Capt. H. H. Argue, has been awarded the military cross for gallantry on the field of action. Capt. Argue was, before the war, assistant superintendent of the Toronto General Hospital and was a member of the Royal Army Medical Corps. He was allotted to the 26th battalion on going to France and is one of the most popular officers of that now famous unit. Capt. Argue, before studying the medical profession, was a lumber-jack, and is a splendid physical type standing six feet in his socks.

Killed in Action
News was received by relatives in the city yesterday that Pte. Jacob Smith, of the 26th battalion, had been killed in action on November 8. Pte. Smith was a native of Cambridge, England, but resided in St. John for several years before the outbreak of war, being employed by the C. P. R. here.

Not long after war broke out he felt the imperative call to duty and consequently joined the 26th battalion, being mobilized in St. John. He had been through all the heavy fighting with that unit and escaped unscathed until November 8, when he was killed. A cousin, Miss Edie Smith, of 87 Bridge street, received news of his death a short time ago from his mother, who resides in England. Pte. Smith was a member of "A" company in No. 2 platoon, and is well known in St. John. It is understood that he was engaged to be married to a young lady in this city.

Pte. MacDonald Wounded.
Recent reports received from England are to the effect that Pte. Von K. MacDonald, son of S. E. MacDonald, of Havelock, Kings county, has been wounded in action and is now in Mile End Hospital, Bancroft Road, London, suffering from shrapnel wounds in the legs. It is reported that he will likely be able to rejoin his unit, the 21st battalion, in France, very shortly.

A St. John Man.
Sergeant-Major B. E. Purdy of the headquarters staff of the fourth division, Montreal, has been promoted to be quartermaster with the honorary rank of captain with the 244th Kitchen's Own. He was born in St. John and has spent several years of his life in the service.

Lieut. Brown in France.
In a letter from a member of the 26th Battalion, under date of October 31, the writer mentions the arrival of Lieutenant William J. Brown of St. John. At the time the letter was written the unit was in the trenches under fire.

104th Moves Again.
A letter received in the city brings the information that the 104th Battalion has been moved from Bransholt Camp to Whitley Camp, Surrey. Whitley is a much larger camp and of greater importance.

Recruits.
A total of sixty-four recruits were secured in the province during the last week. The company totals follow: St. John, N.B. 11, Westmount, N.B. 11, and for the little folks.

ZAM-BUK CURED BABY'S BURN

Mrs. George Currie of 194 Waterloo Ave., Guelph, has used Zam-Buk with splendid results for a bad burn, which her baby sustained by falling from his high-chair onto the stove. Mrs. Currie writes: "The burn was very severe and baby suffered terribly. I called a doctor, but his treatment gave the child no relief. I tried another doctor, with the same result, and finally I was told that skin would have to be grafted. 'Then I heard of Zam-Buk and began using it. In a short time an improvement was noticeable. I persevered with Zam-Buk with the result that the burn, although it is now entirely healed, without the necessity of having skin grafted.' Zam-Buk is equally good for scalds, cuts and all other skin injuries. It is also just as good for eczema, ringworm, scabies, old sores, blood-poisoning, pimples, boils and ulcers. See boys 3 for \$1.35. All druggists or Zam-Buk Co., Toronto.

\$100 REWARD, \$100.
The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Cure is taken internally and acts through the blood on the mucous surfaces of the system thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and restoring nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Cure that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
Address: F. J. Cheney & Co., Toledo, Ohio. Sold by all druggists, 75c.

SKIRTS TO BE LONGER
Long and Straight Lines, Flower-Like and Delicate Shades Predicted for Spring Styles

Chicago, Nov. 21.—Americanization of spring styles and fabrics for women is the plan up for discussion before the National Cloak, Suit and Skirt Manufacturers' Association in annual convention here.
"To obtain the confidence of the American woman is the thing we are striving for in this conference," declared J. P. Haviland, one of the Chicago members of the association. It seems the lines for the coming season will be long and straight, with skirts not as short as hitherto, and coats fitted easily about the waist. Stitching will be much used, in heavy loose threads, and the shades will be the most flower-like and delicate imaginable.

A cable from Liverpool to Parrsboro, N.S., yesterday, gave details of the loss of the stern schooner Kenneth C. which was wrecked off the Irish coast. The crew were saved and returned to Liverpool. She was bound from Liverpool to Halifax in ballast.
The stern schooner Margaret G. arrived in Parrsboro yesterday in a damaged condition. She was also short of provisions. The cook, Albert Knott of Mobile, died on the passage. The schooner was bound for Lunenburg in ballast and, after getting repairs at Mobile, will proceed to her destination.
The New York Evening Sun yesterday said that the Plant line, which maintains a regular service between Boston, Halifax, Hawkesbury and Charlottetown, will discontinue its winter service at the close of the year and that sailings may not be resumed in the spring. Officials of the company admitted that their steamers were for sale.

Because of the prices the owner of a town site of Keyston, a thriving village in Logan county, Kan., placed on town lots the residents of the village and officers of the railway decided to move the town. A new town site two miles northwest of the present village was quickly purchased and the city began its move overland. The station, sidetracks and shipping docks of the railway already have been moved, and business houses on moving tracks are on the way to the new site.
