### A STEP AT A TIME

Have you ever noticed how unreasonably the man at the bottom of the ladder envies the man at the top? Not until success has been actually attained does the man appear at the top, and the consequence is that he gets scant credit for the step at a time climbing which has brought him there.

This, at any rate, is the experience of the Midland Vinegar Company, of England, the manufacturers of H. P. Sauce. They are now at the top of the ladder—H. P. is an assured success—everybody who tastes it likes it, and recommends his friends to make a trial of it.

Amid the general buzz of success no one has leisure to imagine what a long time was given over by the Midland Vinegar Company to careful experimenting with different combinations of rich Oriental fruits and spices, before a perfectly delicious, rich, thick, fruity sauce like H. P. was arrived at and christened, and sent forth to win its way with the people. H. P. has been a success from the very first—but that is because its manufacturers climbed up to it a step at a time, and did not vault themselves as sauce manufacturers until they had a perfect sauce to talk about. You try H. P. You will like it—everybody does. 10.

## Had Heart Trouble FOR YEARS.

**Weighted 87 Lbs. Now Weighs 138 Lbs.**

Miss Beatrice Loughhead, Staples, Ont., writes: "I feel it my duty to tell you what Milburn's Heart and Nerve Pills have done for me. I had heart trouble for quite a few years. I doctored for it, and altogether my bill amounted to \$400, and still no cure. One day when very sick I was lying on a couch close to where some almanacs were hanging. I took one down, and was reading about what Milburn's Heart and Nerve Pills cured, and thought I would try them. I got six boxes to start with; have only taken three boxes and I never felt so well in my life as I do now. I only weighed 87 pounds when I started to take them, and now I weigh 138 pounds. Hope all poor sufferers will be benefited by them as I have been."

Wherever there is any weakness of the heart, Milburn's Heart and Nerve Pills will strengthen it and build up a strong healthy system.

Price, 50 cents per box, or 3 boxes for \$1.25, at all dealers or mailed direct on receipt of price, by The T. Milburn Co., Limited, Toronto, Ont.

## MORNING NOTES OF THE WAR

The German reply to the United States' note of last Friday is expected by the end of this week. Ambassador Gerard yesterday cabled the department at Washington that he had read the document to the foreign minister. It is believed that Germany will answer that she will continue to wage the war as she has conducted it in the past.

Sir Edgar Speyer, a privy councillor of German birth in England, has resigned his office and has asked that his name be cancelled, as the result of charges of disloyalty.

At the monthly meeting of the boys' work committee of the Y. M. C. A. last evening it was decided to hold a summer camp from July 8 to 17. Other activities will include Saturday afternoon walks and week-end camping trips. The organization of a Sunday school athletic league was discussed also. P. J. Legge will represent the association at the summer school at Lake Conelching, Ont. The tennis club now has a membership of thirty-seven and work on the courts is progressing favorably.

## THIS MAN HAS TAKEN THE X OUT OF EXPENSE AND IS HELPING TO LOWER THE COST OF LIVING.

Speaking to a Telegraph-Times reporter yesterday, A. E. Henderson, the well known specialist of No. 3 King street, said part of the reason of the high cost of living was that the consumer had to pay very dearly to the last man who handles the goods that he consumes. It is really startling when one sits down and thinks how much profit the consumer has to pay the average retailer, said Mr. Henderson. Of course when a merchant has a big fancy store, high rents, costly fixtures, high salaried men, some one has to pay for it, and believe me, it's the consumer that does it every time. Never in my case (he) may own manager, designer, buyer, etc.,

### This NEW HOOSIER for ONLY \$1!

### Will another day end this great sale?

### The public alone can answer

**THE IMMEDIATE CLOSING** of this sale may be caused tomorrow by the number of women who enroll on this Hoosier Plan. If all the women who need Hoosiers should come tomorrow, our allotment would be taken before night and the sale would close. This has happened in many similar sales throughout the country. On the other hand, if women delay, the sale may last all week. This too has happened. Which now is best for you—to delay and take the chance of missing this opportunity or to come down tomorrow and find out about this cabinet so you can decide before it is too late!

It cannot take you ten minutes to decide, once for all, whether you intend to purchase now or later—And you are deciding, remember, whether or not you will save miles of unnecessary steps you now take.

But unless you at once decide, you may decide too late to own the greatest of all Hoosier cabinets on this liberal Hoosier Plan. 700,000 women already have owned tomorrow and find out about this cabinet so you can decide before it is too late!

Only those women who grasp this opportunity tomorrow can be sure of getting one of these cabinets on this liberal Hoosier Plan. You realize of course that these terms could not be offered except on a very limited number of cabinets.

After this sale—

1. The "Hoosier Plan" terms will be withdrawn.
2. Our regular furniture terms will then prevail.

In fact I do myself what most merchants have to pay very big salaries for. Also as my rent is very modest it puts me in a position to sell suits for \$18 that other dealers have to get \$18 for and so on up the scale. Therefore I think I'm entitled to call myself "the man who has taken the X out of expense and who is doing his little bit to lower the cost of living. Thus said Mr. Henderson.
