The first pastoral charge given to Father Murphy was that at Debec, Labrador, where he was promoted to St. Mary's or Devon parish. ## SEE THE FALLS

At high tide the water of the Bay of Fundy reaches a higher level than the water of the Saint John River and forces its way through the gorge of the Falls, creating a "Falls" of water.

At low tide the water in the Bay becomes so much lower than that of the river, that the fall of water is reversed and flows down river into the Bay.

At this time, when the level in the Bay and River are about equal, the Falls disappear entirely, and the water at the Falls becomes smooth.

To fully appreciate this wonder of the world it should be seen at all three stages.

The best time to view this phenomenon is:

Operation

Friends in Saint John, throughout the Maritime Provinces, in Montreal, Boston and other centres will be grieved to learn of the death of Miss Helen Gertrude Furlong, which occurred early this morning in the Saint John Infirmary, following a major operation performed on last Saturday and from which she failed to rally.

Miss Furlong was a daughter of the late Mr. and Mrs. Thomas Furlong, prominent residents of this city. She was a pupil of the Sacred Heart convent, when the Nuns conducted their school here. She was particularly favored with musical ability and made her life avocation. Miss Furlong studied the violin with Charles M. Loesler, a noted teacher in Boston and she had been for some time violin instructor at the Grotto Preparatory School, Boston. She always returned home for the summer months and there were happy reunions with the other members of the school here.

Miss Furlong also is survived by an aunt, Miss Mary Fennell of Boston and by one nephew, Neal Furlong-Coleman, here.

## MAJOR ROBERT RANKINE DIES; ILL NEARLY YEAR

Passes Away at Lancaster  
Military Hospital—Over-  
seas in Great War

Robert Richey Rankine, younger son of the late Mr. and Mrs. Alexander Rankine, passed away in the Lancaster Military Hospital at 8:30 this morning. Word of his death came as a great shock to many friends, as although he had been in poor health for nearly a year, he had seemed to be regaining strength and had been able to be about most of a week ago. Of a quiet and retiring nature, he made many firm friends, his sterling qualities greatly endearing him to all who came to know him.

He was educated at the Saint John schools and the University of New Brunswick. Military life always greatly appealed to him, and he served in the militia previous to the outbreak of the Great War. When war was declared he was on the list of reserve officers of the 62nd Fusiliers, having held the rank of captain in that unit. He immediately got back into active service and accepted a commission in the 25th Battalion. While the Battalion was at Quebec, he was promoted to be captain and received his majority in England. Major Rankine was loaned to the Imperial forces for duty in France and was retained for court martial duty in England for nearly a year after the war, being demobilized in September 1919. He was on active service for four years and a half. He had resided in Saint John since returning to Canada. Besides his wife, who was formerly Miss Marion Rietzen, of Fredericton, he is survived by two sisters, Mrs. R. R. Chedland, of Springfield, Mass., and Mrs. Stephen McAvity of Saint John, and one brother, Thomas Rankine, residing in the United States. Mr. Rankine was a Mason, a member of Union Lodge of Portland.

The arrangements for the funeral have not been completed this morning.
