THEFT CASES AND OTHERS IN POLICE COURT

In the police court this morning Charles Ritchie, Thomas Connell and Albert Connell were charged with breaking and entering and stealing from the house of L. R. Ross, 540 St. John street, and also with attacking the caretaker, Neil Donovan, who, it is said, received hard usage. No evidence was given this morning as the detectives are working on the case and the accused were remanded. About 8:30 last evening the detective received a telephone message from Mrs. James Peacock stating that a crowd of ruffians were beating and robbing John Donovan. Detective Biddiscombe and Donahue summoned the police patrol and hurried to the scene. Detective Biddiscombe came upon Charles Ritchie in the bushes. He had a suit case filled with cigars, tools and other articles which, it is said, was the property of Mr. Ross. Later they met a team coming along with Thomas and Albert Connell driving Mr. Donovan's horse and carriage. These men resisted arrest and Detective Biddiscombe was forced to knock one of them out. William Lacey was charged with breaking and entering and setting fire to the house of Mrs. Lacey, Gernab street. Sergeant Sullivan said that the man had put a pile of paper on the floor and saturated it with kerosene oil and then set fire to it. The occupants succeeded in escaping but one old gentleman was forced to get out through a window. Sergeant Sullivan arrested Lacey. The damage done to the house and store amounted to \$1,000 and there was little insurance. Sergeant Sullivan said that he took this man to the asylum about ten or twelve years ago and that recently Mrs. Lacey had urged the authorities to keep the man confined. He was ordered to be sent back to the Provincial Hospital.

Clarence B. Whipple was charged with breaking and entering the house of James B. Kaye, West St. John, on Monday night last. Mr. Kaye told of going into his house Tuesday morning and finding his trunk open and his cash box opened. Fortunately there was nothing in it to take at the time. A son of Mr. Kaye told of returning on Monday evening and finding the house open. He said he noticed the accused standing in front of the house. He said he got Mr. Maxwell to go in with him but no person was in sight. The case was postponed.

William Kennedy and Jeremiah Wilson were arrested by Policeman Spinnery last night charged with being drunk and creating a disturbance in Mill street. They were each fined \$38.

A case against Alfred Foster, charged with breaking into a shed and stealing dry goods valued at \$400 from Thomas French, was taken up, and Detective Biddiscombe told of recovering some of the goods from the house of Mrs. Tucker in Brussels street, and also from the house of the accused in Middle street. Four men, charged with drunkenness, were remanded.

CLEANING UP FOR THE NEW COUNCIL

Several Outstanding Matters to Be Disposed of at City Hall — The Chauffeurs' Wages — Preparing for Paving—Objection to Polling Booths.

Arrangements for the cleaning up of outstanding matters in connection with the work of the common council in preparation for the handing over of the reins of office to the incoming council, were made at a committee meeting this morning. The mayor and all the commissioners were present, with the exception of Commissioner Bullock, who had been called to East St. John on city business.

Among the matters mentioned which it was decided to leave over until Thursday's meeting were the procuring of a set of plans for the use of the board of assessors and the matter of the tax appeal of Armour & Co.

In response to a letter from W. H. Porter regarding a line between his property and that of the city at Lake Robertson, a communication from G. G. Murdoch was read upholding the line which he had run in a recent survey of those lands for the city. The letter was ordered filed.

Commissioner Jones asked for authority to call for tenders for excavation and backfill for service pipes in Douglas avenue and City road. He said he would like to get this work done before evening was commenced and favored so doing if tender.

Mr. Fisher opposed the calling for tenders, saying that it was his experience that work of this description could be done more satisfactorily and at less expense by the city workmen. He said that as a rule when the work was done by contract the specifications are not carried out, whereas the city workmen could be prevailed upon to restore the surface in a proper manner.

Mr. Fisher said all the work was done subject to the approval of the city engineer and he should give it the attention necessary. He said that the public works department had received \$2,000 for this work last year.

Mr. Fisher said that the water department did not save the surface on the work done last year and the public works department was unable to restore the surface as it was. The authority asked for was given, Commissioner Fisher dissenting.

Commissioner Jones moved that authority be given to fit a dump body with a hoist to the C. M. truck of the department at a cost not to exceed \$400. Carried.

Mr. Fisher brought up the matter of increases to members of the teamsters' and chauffeurs' Union and moved that the chauffeurs in the Public Works Department be paid the union rate, \$416-2-8 a day from April 5. Carried.

In response to a request from the Commercial Club the common clerk was instructed to submit to the club the city's policy with regard to the establishment of new industries.

Mr. Thornton asked the common clerk if it would be necessary for returned soldiers who obtained certificates for the primary election to go through the same procedure for the final. The common clerk promised to obtain the necessary information from the recorder.

Mr. Fisher asked if care was taken to ascertain residence of applicants, and it was said as the discharge papers did not always show this, it was impossible to get this information with any degree of certainty.

Mr. Thornton said that now that the women were getting the franchise, more care should be taken in providing proper polling booths. He said some ladies declared that they would not vote again under the same circumstances as in the primaries.

It was explained that there was great difficulty in getting the proper polling places.

It was decided to leave to the common clerk the matter of opening a place in Carleton for the issuing of certificates to returned soldiers.

BISHOP AWAY

No Further Appointments Until Return From Rome Three Months Hence.

A large number gathered in the cathedral on Saturday at 10 o'clock for Solemn Benediction of the Most Blessed Sacrament prior to the departure of His Lordship Bishop LeBlanc for Rome. His Lordship officiated with Rev. W. M. Duke as deacon, Rev. W. L. Moore subdeacon, and Rev. Simon Gram in the sanctuary. Bishop LeBlanc, before imparting his blessings, spoke briefly, expressing his thanks to the people for the large assemblage, asking for their prayers and saying they would be in his prayers while he was away. Again at the depot there was a gathering to see His Lordship away on the train for New York, whence he will sail tomorrow on the steamship Patria for Rome. Cardinal Begin of Quebec will also be a passenger. The first stop will be at Gibraltar.

Bishop LeBlanc will be home in about three months. He said just before leaving that there would be no further appointments of priests in the diocese until his return.

Rev. Raymond McCarthy is at Milltown at present. Rev. A. P. Allan officiated at services in St. Rose's church, Fairville, yesterday, owing to the illness of Rev. Charles Collins, the pastor. Friends will be pleased to know that Father Collins is not seriously ill, and is much improved today. Rev. Simon Gram officiated in Holy Trinity church, and Father Robichaud of Moncton and Father Landry of Memramcook assisted at the cathedral.

WORD THAT "WETS" WON.
