MAY BE DROP IN THE PRICES OF BACON AND MEATS

Ottawa, Jan. 20.—Canadian packers were in conference with Sir Thomas White today over the situation created by the cancellation of orders for Canadian meat products. The packers have large stocks of bacon and other meats on hand. A fall in prices is regarded as probable.

This news item is interesting; but no need to wait for the slow downward movement (not drop) of the prices of Bacons, etc., as the following will show:

Hams, Bacons and Shoulders Have Already Dropped 9 to 15c a pound in St. John!

Think what that means to you, Mr. Householder, to save from \$1.50 to \$3.00 on a choice, sweet, fresh Ham or Shoulder, or a piece of Bacon!

While they last—and they're going fast—they are making it possible to secure these bargains in this choice food line.

Don't wait for the prices to drop a few cents—buy here now and save many times a few cents.
