Dry Dock, Ship Repairing Plant, New Wharves, in Addition To Extensive Dredging Work to Be Done in Courtenay Bay — Tenders From British Firms Expected for The Work ...

(Special to Times)

Ottawa, Ont., May 25—In the course of a week or ten days the department of public works will call for tenders for extensive improvements in the harbor at St. John, N. B., for which the plans are about completed. In addition to extensive indeeding of Courtenay Bay, the plans include a dry dock of the first class and a ship repairing plant, and the construction of berths for the accommodation of the steamers to be run in connection with the Grand Trunk Pacific.

The department likewise proposes to ask for tenders for the construction of additional wharf accommodation at Champlain market, Quebec, to be used in connection with the transportation of goods over the ship repairing plant, and the construction of the steamers to be run in connection with the Grand Trunk Pacific.

The department likewise proposes to ask for tenders for the construction of additional wharf accommodation at Champlain market, Quebec, to be used in connection with the transportation of goods over the ship repairing plant, and the construction of surveying the route of the proposed waterway from Winnipeg to Edmonton:

The work of surveying the route of the proposed waterway from Winnipeg to Edmonton:

SUMMER HOME BURGLARY
When A. McAllister went out to his summer cottage at South Bay yesterday to spend the holiday he found that some one had been there before him and had left with a fine shot gun. Entrance had been effected by means of a window in the rear. Mr. McAllister believes it the work of boys. He said that it was his intention to notify the police.
