LIFE Association of Scotland.
FOUNDED 1838.

Empowered by Royal Charter and Act of Parliament.

Subscribed Capital £490,000 Sterling.
Annual Income, £125,000 do.

Chairman—**JAMES FORBES**, Bart. of Comiston.

THE LIFE ASSOCIATION OF SCOTLAND which has now extended its operations to British North America, is specially empowered by its Act of Parliament for Life Assurance, and is one of the most extensive and successful amongst British Assurance Offices, and policy holders in the British American Provinces have the benefit of the large annual business transacted in Great Britain and Ireland, and the ample and constantly accumulating funds now yielding an income of upwards of 125,000 sterling per annum.

Last year the new transactions exceeded those of any other in Europe.

The policy holders incur none of the risks of partnership, they are free from all responsibility, and the sums assured are guaranteed.

The whole Constitutions, Regulations and System of business are framed in the most liberal and popular spirit.

The policies as now being issued are free from many of the restrictions commonly imposed on assured lives, and confer unusual and important privileges, far beyond what have hitherto been granted by Assurance Offices in North America; and after some years the policies become nearly absolutely and indefeasible securities for the sum assured—the Assured being protected against harsh proceedings on the part of the office in the event of omission to pay the premium.

A share of profits of the business is allocated every year to all participating policy holders of five years standing, and is applied in reducing their next premiums. A large reduction of the premiums is thereby effected. The association has allocated profits at thirteen successive annual periods, and the annual return in profit to policy holders of the first series has now reached 35 per cent of the premiums—that is the policy holders are required to pay only 13s. per £1 of their premiums.

The rates of premium are moderated, and until the time of participation in the profits, a policy holder for £1000 sterling or upwards, need pay only one half of the annual premium, the other half remaining unpaid at interest as long as the policy holder pleases.

The Association's business in North America is under the charge of the Board of Directors at Montreal for the Canadas; at Halifax for Nova Scotia; and at St. John for New Brunswick.

DR. MORSE'S INDIAN ROOT PILLS.

DR. MORSE, the inventor of MORSE'S INDIAN ROOT PILLS, has spent the greater part of his life in traveling, having visited Europe, Asia, and Africa, as well as North America—his spent three years among the Indians of our Western country—It was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all disease arises from IMPURITY OF THE BLOOD—that our strength, health and life depend upon this vital fluid.

When the various passages become clogged, and do not set in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and diseased; thus causing all pains, sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in drawing off the stagnant humors, the blood will become thick and cease to act, and thus our span of life will be forever blown out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in your reach, namely Morse's Indian Root Pills, manufactured from a Plants and Root which grow around the mountainous cliffs in Nature's garden, for the health and recovery of diseased man. One of the roots from which these Pills are made is a Saboritic, which opens the pores of the skin, and assists nature in throwing out the finer parts corruption within. The second is a plant which is an Expectoant, that opens and unclogs the passages to the lungs and thus, in a soothing manner, performs its duty by throwing off phlegm, and other humors from the lungs by copious spitting. The third is Diuretic, which gives ease and double strength to the kidneys; thus encouraged they draw large amounts of impurity from the blood which is then thrown out bountifully by urinary or water passage, and which could not be discharged in any other way. The fourth is a Cathartic and accompanies the other properties of the Pills while engaged in purifying the blood; the coarser particles of impurity which cannot pass by the other outlets are thus taken up and conveyed off in great quantities by the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, but become united with the blood for they find way to every part, and completely route out and cleanse the system from all impurity and the life of the body, which is the blood; becomes perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and clear.

The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the afflicted parts and which will open the natural passages for the disease to be cast out; hence, a large quantity of food and other matter is lodged and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing the blood, which throws the corrupted matter through every vein artery, until life is taken from the body by disease. Dr. Morse's pills have added to themselves victory upon victory, by restoring million of the sick to blooming health and happiness. Yes, thousands who have been racked or tormented with sickness, pain, anguish, and whose feeble frame has been scorched by the burning elements of raging fever and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this good and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished and absolutely surprised, in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness, pain and anguish but they at once go to work at the foundation of the disease which is the blood. Therefore, it will be shewn, especially by those who use these Pills, that they will so cleanse and purify, that disease—that deadly enemy—will take its flight and the flush of youth and beauty will again return, and the prospect of a long and happy life will cheer and brighten your days.

CAUTION.—Beware of a counterfeit signed A. R. Moore. All genuine have the name of A. J. White & Co. on each box. Also the signature of A. J. White & Co. all other are spurious.
