A HEALTHY SIGN FOR THIS MARKET

The Board of Trade received a message from Col. A. E. Bernard at Naples yesterday stating: "Free entry of all codfish from today." Various city firms have also received messages containing the same information, which is good news for the fish exporters here as it is hoped it will tend to strengthen the Italian market. The duty heretofore paid on fish going into Italy was five lire per 100 kilograms. The gold lire is normally worth 9 1/2 d or 19 cents. This means 95 cents per 100 kilos or 220 lbs. During the war and since the armistice gold is practically unobtainable in Italy and importers have had to pay duties in paper lire which is depreciated to about one-fifth of the gold standard. This means that instead of importers paying .50 cents a quintal they had to pay \$2.00 per quintal. This has now apparently been removed but no particulars are given in the messages as to the cause of this move, which it is earnestly hoped will increase our sales in this market.—News, June 13.

These include the Lillian Richards, 1000; Florence E. 800; Winifred Lee 600; Admiral Dewey, 500; Linda Tibbo, 300; and the Vignette arrived at Ramea yesterday hailing for 220 quintals.

SERG. CHURCHILL COMMANDED LABRADOR SQUAD

Sergt. Fred Churchill has been appointed to command the special detachment of police who will be leaving for Stag Bay, during this week. They are going by the Watchful which ship has been especially fitted up for the trip. Sergt. Churchill is a very efficient officer, and under his guidance the force will do credit to itself.

The Reid Newfoundland Company has decided to run two trains daily to and from Carbonear in view of the extra traffic during the summer months. Commencing Monday a train will leave St. John's at 8.45 a. m. and another at 6 p. m. Return trains will leave Carbonear at 7.15 a. m. and 4.15 p. m. On Friday week, the whole holiday, excursion rates will prevail and will be good up to and including Monday, the 25th, so that troutmen will have the week end at their favorite resorts.

Stall's Books

Rev. T. Albert Moore, D. D., General Secretary of the Dept. of Social Service and Evangelism of the Meth. Church of Canada, who visited Newfoundland in Sept., 1917, in connection with the Social Congress, says:

"Stall's Books on Avoided Subjects have been standard works for such a long time that it seems almost unnecessary to say a word in their behalf. I believe they have accomplished great good, and are written with care and delicacy, at the same time with sufficient frankness or the modest discussion of these delicate subjects. They are safe books for general reading, especially if from the various books there is proper selection for the youth or adult, man or woman, as the case may be."

WEDDING BELLS.

O'BRIEN-JONES

A very pleasant event took place at Harbor Grace at 7 o'clock on June 11th, when Mr. Louis A. O'Brien was united in matrimony to Miss Mary Jones, both of that town.

The groom was supported by his brother, Mr. Jack O'Brien, while Miss Winnie Jones, sister of the bride, was bridesmaid.

After the wedding breakfast at the home of the brides' parents, the happy couple took the train for Holyrood where the honeymoon will be spent.

Mr. O'Brien is a capable employee of the Western Union Telegraph Company and is at present stationed at this town.

The young couple were the recipients of many valuable presents testifying to their popularity.

The "Guardian" joins with many friends in wishing Mr. and Mrs. O'Brien many years of wedded happiness.

GREEK EXCHANGE

The Exchange situation in Greece has been subjected to some remarkable fluctuations the past six months. Around New Year it was 420 drachmas to the pound sterling. In the early part of May it had gone to 230, and two weeks ago to the surprise of the financial world it took a sudden jump to 1,500 drachmas to the pound. This indicates a 'poor prospect' for fish sales at Patras and Piraeus.

PRINCESS CHRISTIAN DEAD

Princess Christian, aunt of King George, died in London on June 9. She was Princess Helena Augusta Victoria but generally known as Christina from the name of her husband, Prince Frederick Christian of Schleswig Holstein who died in 1917. She was the third daughter of Queen Victoria; one son survives, Prince Albert John, who served in the Prussian Army during the war, and two daughters.

C. L. B. C. CAMP AUGUST 2nd.

The C.L.B.C. are now busily engaged making preparations for their annual Camp, which takes place at Topsail the first week in August. The officers are contemplating on building a Mess Hut with a floor space measuring 30x30, and this will be made-use of by the boys or sleeping quarters during wet weather. General repairs and alterations to the camp grounds will also receive attention. Several of the officers have already signified their intention of going into camp, and it is quite possible that Major R. H. Tait will be Camp Commandant. It is hoped that the lads from the Outport Companies will also spend a few days 'under canvas.' Everything points to a very successful camp at Topsail this year.

A few slices of raw potato cooked in a soup that is too salt will absorb much of the salt.

DO'S

FOR PEDESTRIANS.

Act normally when a vehicle approaches you.

Trying to dodge confuses the driver, and makes him more liable to hit you.

Cross the street at the cross walk.

If inclined to be absent minded wake up when crossing a street, and keep out of the hospital.

Wait until a car stops before getting on or off.

Give a driver sufficient space in which to pass you, remember you cannot tell what he is going to do.

Be aware of traffic dangers, familiarity and contempt of them invites accidents.

REMEMBER

Haste, Recklessness, Thoughtlessness and Carelessness, cause most Accidents.

VIGOROUS VITAMINES

"Have you any fresh vitamins?" asked the young bride.

"Yes, mum," said the voracious dealer. "We've got some that was caught on the coast yesterday."

"A pond, please."

She got shrimps.

Danny was looking at a picture of the prophet Elijah ascending to heaven in a chariot of fire. When he saw the halo around Elijah's head he cried, "Oh, look, mamma, he's carrying an extra tire."

"Well, my dear, I've just had my life insured for \$5,000."

"Oh, how sweet of you! Now I shall have to keep telling you to be careful when you are out with the car."

A large shipment of salmon is going to England by the Digby the end of the week. The salmon is being shipped by the Atlantic Fisheries Co. and the ship's entire cold storage space is being occupied.

Hard Work Means Success

There never was a goal worth getting but you must work to attain. You must battle and bleed for it, cling to your creed for it. Fall and go for it again.

Success is no whim of the moment, no crown for the indolent brow. You must battle and try for it, offer to die for it. Lose it yet win it somehow.

The Pathway to glory is rugged, and many the heart-aches you'll know. He who seeks to be master must rise from disaster. Must take as he giveth the blow.

There's no royal highway to splendour, no short cut to fortune or fame. You must fearlessly fight for it, dare to be right for it. Failing, yet playing the game.

The test of man's merit is trouble, the proof of his work is distress. Much as you long for it, man must be strong for it. Work is the door to success.

HEALTH is the greatest blessing in the world.

If you are HEALTHY you can work hard but not otherwise. HARD WORK means SUCCESS but you will NEVER be able to work very hard without HEALTH and STRENGTH. If you require HEALTH and STRENGTH use
