MIRAMICHI ADVANCE, CHATHAM, NEW BRUNSWICK, MARCH 29, 1883.

AND

YOLANDE. By WILLIAM BLACK, OF "SHANDON BELLS," "MACLEOD

> (Continued.) CHAPTER VIII.

Mrs. Graham watched for a chance of speaking to Yolande, and soon found it. She went to the girl, who was standing by the rail on the hurricane-deck, and put her arm most affectionately round her, and said:

"My dear child, what are you staring into the sea for? Do you expect to see '.It dolphins?

somewhat. "It is not the sky. If you look at the water for a while, and turn to the sky, the sky is a pale washed-out intense than the blue of the water slong such absurdity-" the Riviers." "You have been along the Riviera?"

"Oh, two or three times," said Yolande. "We always go that way into Italy." "You must have travelled a great

deal, from what I hear." "Yes," said Yolande, with a slight

sigh, "I am afraid it is a great mis-At one time he said it was my educaare such bad travellers-we never go to see anything that we ought to see. to do all the sight-seeing; you will find us, oh, so very lazy that you can not imagine it; you will go and see the

derings did you never meet the one who is to be nearer and dearer ?"

so-so contented.

all your travels, have you never come across some one whom you would care to marry ? Indeed, indeed, you must have met many a one who would have been glad to carry you off- that I can tell you without flattery."

with a perfectly frank laugh. "That is not what I would ever think of.

tell you."

They sat down in two deck-chairs cause she really liked her, although at times human nature broke down, and

abroad," said Yolande, ' and the one have no more fears that you are a re- Yolande, quietly. was so nice to hear them talk of their straint. Of course you will marry, and was so nice to hear them talk of their home—perhaps in the country, where every one seemed to know them, and East belidence and read in a more to go to at the East belidence and read in a more to go to at the East belidence and read in a more to go to at the think I wanted to dance with my sister every one seemed to know them, and Easter holidays; and you will go up to and leave you here ?" they had so many interests, so many town to hear him speak in the House, affections. They were proud of that. and he will have a fair chance in It was a tie. They were not merely politics. So that is all arranged, and wanderers. Even your brother dear you are not to have any wild or fierce Mrs. Graham, he has filled me with theories. There goes dressing-bellenvy of him when he has told me of envy of him when he has told me of the district around Lynn Towers, and seeming to know one of a larger Day after day passed without change.

seeming to know every one, and always settled there, and capable to make The young Master of Lynu had been friends for a lifetime, not for a few re-assured by his sister; and very dilihours in a hotel. What place do I gently, and with a Jacob-like modesty really know in the world; what place do they really know me? A little village in France that you never heard of. And I am English. I am not French. Ah, yes, that is what I have many a time wished—that my papa would have a house like others—in the country ?-yes-or in the town ?-yes especially favored, it was Colonel Gra-with her. Without a word to any one

I should make it pretty for him, and he amused her. would have a home-not a hotel ; also would have a home-not a hotel; also I have thought of being a secretary to him, but perhaps that is too much be-him, but perhaps that is too much beyond what is possible. Do you think I enne painted pink and white ; and of bitterly. "She knows nothing about can imagine anything about marrying when this far more serious thing is when this far more serious thing is what I wish? Do you think that any one can be nearer and dearer to me than the one who has given to me all construction on the series of the series his affection, all his life, who thinks costumes. But it was with a far greatonly of me, who has sacrificed already far too much for me? Who else has done that for me? And who would started again, and was slowly and siken wings-of feet on the deck. He done that for me? And who would not have me ungrateful? Besides, also, it is selfish. I do not like the also, it is setush. I do not nee the society of any one nearly so much; why water highway. The Suez Canal had to her, and yet she treated him should I change for a stranger? But been rather a commonplace phrase to exactly as if he were a stranger-going should I change for a stranger? But Volande, mixed up with monetary af-it is not necessary to speak of that; it Volande, mixed up with monetary af-off with the first-comer. Simplicity is a stupidity. But now I have told fairs mostly, and suggestive of ma- His sister was right-it was the simpli

The Master she seemed to glide into this dream-dancers' feet; and his thoughts were of Lynn had no rival, at all events. world of silver sky and far-reaching bitter enough. He was only five and "Do you know, my dear child, you wastes of yellow sand. It was so silent talk very sensibly." said she, patting and so wide and so lonely. For the and disappointments are emphatic and her hand. "And I don't see why your most part the horizon-line was a mirage near; probably it never occurred to papa should not give you two homes- and they watched the continual undupapa should not give you two nomes_____ lation of the silver white waves, and hour, and from the petty throbbing one in the country and one in town-for I am sure every one says he is wealthy. But perhaps this is the reason. Of course you will marry-no, stay a mincourse you will marry-no, stay a min-ute-I tell you, you are sure to marry. Why, the idea ! Well, then, in that risk bushes dotting the sand. From a star around min turbus so dim and s range under the moonlight and the why, the idea i wen, then, in that case, it might be better for your papa not to have a household to break up; it winging its way to the south. Then is way to the south. Then He could a'tend to his Parliamentary a string of camels came along with forduties very well if he lived in the West- ward-stretching heads and broad slow-

Perhaps that will happen. I know I And so they glided through the silent | three months, taken one a night.

I have not once been to the House of "Ah, that is very pretty," she said Commons, where every one goes, and "No wonder they approved you and even my papa is vexed that I do not clapped their hands. It is the most

that happened to be handy, and Mrs. even my papa is vexed that 1 do the picturesque of all the dances, especially picturesque of all the dances, especially and more have "Well, dear Yolande, you have led a when there are only two, and you have the whole deck for display. In a ball-

queer sort of life; but, after all, was room, perhaps no." she thought her husband was carrying his praises of Yolande just a trifle too queer sort of hite; out, after an, was not your father wise? He could not have a household with a school girl to bourne, before you come North," said look after it. But now I can see that he. We always dance it in the North.' "When I have met English ladies look after it. But now I can see that he. We always date it in the said all this will be changed, and you will "Oh, but I know it very well," said

"You !" said he, in an injured way. "But Mrs. Graham and you danced

it so prettily-oh, so very well indeed-" There was somebody else approachiug them now-for the lady at the piano had that instant begun another waltz. This was Captain Douglas, also of the Seaforth Highlanders.

"Miss Winterbourne, if you are not Early last summer like violation of the second seco should she ? She was not engaged.

on yes, thanks, said she with much friendliness, and she rose and took Captain Douglas's arn. But young Leslie could not bear this pertidy, as he judged it. He would have no more to do with the dance, or with her. Without a word to any one -what does that matter to me? And ham, whose curt, sardonic speeches he went away to the smoking-room, and he went away to the smoking-room, and sat down there, savage and alone. He lit a cigar, and smoked vehemently. At last they arrived at Port Said, sat down there, savage and above. It lit a cigar, and smoked vehemently.

course there was much wonder and in- it. It is women who know nothing terest in beholding land again, and aboat women; they hide themselves er interest that they regarded the pic- the sound of the music, and also the
