MOHONK CONFERENCE SEES
THE APPROACH OF PEACE

Sentiment Against War is Spreading—Canada and United States Held Up as Models of What the World Should be in Border Protection

LAKE MOHONK, N. Y., May 20.—Possibility of the adoption tomorrow at the Lake Mohonk Conference on International Arbitration of a platform plank favoring a limitation of armaments among the nations is believed to be indicated by the conversion of leaders of the conference now in session here. Dean Kirschweng, of Columbia University, who was one of the prominent men in the conference is in criticism of the financial and other burdens of militarism and the wisdom of war talk between Great Britain and Germany. Albert K. Smiley, the founder and host of the conference, who threw his influence against adopting such a plank last year and two years ago, is understood to have modified his view, although skeptical as to any immediate possibility in the direction of limiting armaments.

The attitude of China was declared by Ambassador Wu Ting Fang in an address delivered at the conference today to be in favor of making compulsory arbitration a law of the nations. The amicable relations between the United States and Canada were ascribed by Justice J. J. MacLaren, of the Court of Appeals of the Province of Ontario, who said that while individuals in a measure have become Christianized, "we still remain as nations and collectively largely barbarian and heathen." Governor Ansel, of South Carolina, spoke in favor of the arbitration of the Rev. Frederick Lynch, pastor of the Pilgrim Church, New York, declared that "it is the shame of the world that every church in Germany, England and America is not preaching against the great plague of international aggression." At this morning's session of the Lake Mohonk conference on International Arbitration Dr. Wu Ting Fang, Chinese Minister to the United States spoke on the subject and was followed by Justice J. J. MacLaren of Toronto. After reference to the naval arms race between the United States and Canada Justice MacLaren outlined methods under which the boats and the water portion from the Lake would be nearly a century free from all warlike demonstrations or display. "In April 1871," he said, "with a formal treaty or even a convention by a simple interchange of short letters strictly within the limit but actually dispensed with the war vessels entirely and that this pacific condition has now been maintained for more than eighty years. May the day be far distant when any contrary policy may obtain."

The speaker then told of the successive peaceful steps taken in the renouncing of the boundary between the two countries and said that the land portion is as free from military display as the water portion from naval show. "What an object lesson," he exclaimed, "that on land and water, for those nations at present so heavily armed and burdened with militarism. But the greatest triumphs for the principles for which this conference stands is likely to be gained within the next few months. Most of you are aware of what is known as the Waterways Treaty agreed to between the two governments of the two countries in January of the present year and which would no doubt would have ratified ere this had not a member of the U. S. Senate succeeded in persuading that body to add a rider granting to his state an additional advantage without conceding any equivalent or compensation to the other side. It has been a great cause of surprise that nations whose subjects or citizens settle their differences through arbitration or the courts have been so slow to settle international difficulties in the same manner. The fact is that while in a measure we have as individuals become civilized and Christianized we still remain as nations and collectively largely barbarian and heathen. We need to cultivate the corporate and national conscience. In my opinion there is great necessity for our getting back to first principles."

At the annual meeting of Exmouth Sabbath school, held on Tuesday evening, the following officers were elected for the year 1914: R. S. Stevens, supt.; R. P. Goodrich, asst. supt.; Jas. Myles, supt. G. P. Hall; Jer. Thompson, supt. G. T. Hall; H. S. Mays, secretary; Roy Sandall, asst. secretary; Gordon Stevens, librarian; Gordon Scott, asst. librarian; Miss E. Amos, supt. H. Dept.; Jas. Ware, supt. Temp.

AMHERST STUDENT'S FINE WORK AT MCGILL
Seymour Fisher Leads in Ten Out of Twelve Classes
Horses to Train on the Skoville Track—Halifax Brokers Purchase Bonds—Mt. A. Teacher Publishes Exercises.

SACKVILLE, N. B., May 20.—Fifteen thousand dollars worth of Sackville water and sewerage bonds have been sold to McCurdy and Company, Sackville. The price is ninety-five and a half with interest.

A string of four horses will be trained on the Sackville speedway for the season's races by John Chisholm, of Macdonald. The horses are Krenoni, 233 1-4, property of Chisholm; Bushel, 232 1-4, whose owner is T. E. Low; Conservatory of Mount Allison, owned by Richard Brown, Chignecto Mines; Green Kailo, a mare belonging to Charles Savage, Amherst.

The Thompson Music House, Boston, is now publishing a series of thirty-six technical exercises for the piano, which have recently been prepared by Miss Helen Cawthorne, of Mount Allison Conservatory of Music. The exercises have been highly spoken of by a number of musicians. The series has been dedicated to Professor Horner Hill, director of Mount Allison Conservatory. It is understood that the exercises will be used in the piano department of the conservatory next year.

PLENTY TO CHOOSE FROM FOR TOMORROW'S DINNER
Large Stock of All Kinds of Fish on Hand in the Local Markets.

The local fish markets are well stocked for tomorrow's dinner and those who wish to exclude meat from their diet will have their choice of a large number of tempting delicacies. There is lots of cod and haddock at 5 cents a pound, and halibut at 15. Halibut shad have been scarce so far, but a big catch is expected by next week. They retail at from 25 to 50 cents. The regular salmon fishing will not commence until the first of June, but in the meantime an old fish is being picked up in the harbor, and they sell at from 25 to 48 cents per pound. Gasperaux at 20 cents a dozen are plentiful enough to supply the local market, but the catch has been lighter than usual this spring. Lobsters are plentiful this month and sell from 7 to 40 cents. Clams at 20 and oysters from 75 per quart complete the list of shell fish.

There is also the usual supply of smoked fish, including haddock at 7 cents a pound, kippered herring and smoked gasperaux at 40 cents per dozen.

PRESSMEN TO ATTEND CONVENTION IN BERMUDEA
NEW YORK, N. Y., May 20.—The members of the International League of Press Clubs sailed today on the steamer Bermudea to attend the 13th annual convention which is to be held at Bermudea from May 23 to 27.

An elaborate programme, including a reception at government house by the Colonial Governor, Lieutenant-General Frederick Walter Kitchener, has been prepared for the entertainment of the guests. This is the first time the conference has been held outside of the United States.

MOTOR RACE ACROSS AMERICA STARTS JUNE 1
SEATTLE, May 20.—The Pathfinder in the New York to Seattle race completed its journey yesterday at the Exposition grounds and delivered letters from the mayor and postmaster of New-York to the postmaster and mayor of Seattle.

The race for the Robert Gageholm trophy will begin in New York city on June 1 simultaneously with the opening of the exposition here and the contestants will follow as closely as possible to the trail of the Pathfinder.

LOGGIEVILLE STORE WAS BURGLARIZED

O'Leary & Montgomery's Entered Sometime Last Night
Cash and Goods Amounting to \$300 Stolen—No Clue to the Thieves, but They Knew the Ground.

CHATHAM, N. B., May 20.—O'Leary & Montgomery's large general store at Loggieville was broken into last night and the first known of the robbery was this morning, when Mr. Archibald opened up the store. There is little or no clue to the robbers, but it is thought that the thief must have known the premises well. The neighborhood was not aroused, though a woman living next door had to get up twice about two o'clock to silence her dog. A trainman coming from the late express last night saw lights in the upper part of the store, but did not think it worth while investigating. This is Loggieville's first robbery of any size for over twelve years.

SUBMARINE BELLS ARE VALUABLE AIDS

Many Vessels on the Lakes Find Them of Service
And Different Governments are Rapidly Installing Them Along the Coast—Navigators Get Location From Them.

WASHINGTON, May 20.—In the department of the navy, the submarine bell has become an effective agent and is being used on the coast guard cutters. According to the hydrographic office of the navy, the ceremony of the bells, having been extended their installation from time to time to light vessels and stations on both coasts and upon the great lakes. At present forty-six of the light vessels are thus equipped and the stations which they send out are of undoubted aid to deep water navigation. Canada also has taken up the equipment of her coasts and England, Germany, Holland, France, Sweden and Denmark are doing likewise. The bells operate during fog and at night and the sound waves emitted by the bell under the water have been known to travel as far as 25 miles. These sound waves are picked up by the receiving microphones on board ships and by the code signal of each station the vessel navigator is able to tell where he is located.

MONGTON STUDENT WINS HONOR AT BALTIMORE

Fred E. Burden Captures Gold Medal—Wedding in the Railway Town

MONCTON, N. B., May 20.—The marriage of Miss George Chappelle to Otto Geldart, I. C. R. machinist, took place here Tuesday evening at the home of the bride. The ceremony was performed by Rev. F. S. Bamford, in the presence of only the immediate friends of the couple. The bride and groom have gone to Boston on a wedding trip and on return will reside in Moncton.

Word was received here yesterday by Isaac Burden, of the graduation of his son, Fred E., from the dental department of Baltimore Medical College, also that Mr. Burden had received a gold medal for making the highest average of his class during his three years at college. This is the first time that a Canadian has won this medal.

FREDERICTON PRISONER WANTED IN ST. JOHN

FREDERICTON, N. B., May 20.—Wilson, charged with stealing a grip and several articles from Windsor Hall, was brought before Magistrate G. H. G. on Monday. The grip had been found in Wilson's possession. The prisoner was undefended. The charge was read over and Wilson pleaded guilty. He was remanded until Monday next. There was also found on Wilson a letter addressed to McLean, thus identifying the young man as the one wanted in St. John.

ACADIA PICKED TO WIN IN INTERCOLLEGIATE SPORTS

Team Not Finally Selected, But Will be Composed of Good Men—Mount Allison is Not in the Running—Sports to be Held at Moncton

SACKVILLE, May 20.—Acadia's list of entries for the seventh annual inter-collegiate track and field meet at Moncton on Friday of next week has been received by Manager Taylor, of Mount Allison, and is as follows: 100 yards dash—Moland, Camp, Roy, Robinson. 220 yards dash—Moland, Camp, Roy, Robinson. 440 yards dash—Moland, Robinson, Brown, Foster. Mile run—Moland, Corey, Haverstock, Allen, Brown. High jump—Porter, Dyer, Donaldson. Broad jump—Porter, Roy. Shot put—Robinson, Page, Dyer. Hammer throw—Page, Robinson, Brooks. 120 yard hurdles—Moland, Porter, Camp, Roy, March. Pole vault—Webber, Logan, Porter.

Under the rules of the meet not more than three men from one college can compete in the same event, but it is understood that where Acadia's list names more than three for any event it is because the team has not been finally picked. Acadia's team includes Moland, Camp, Porter, Robinson, Page and Dyer, of last year's champions. The fact that seeding was a week or ten days late.

The Mount Allison team is not yet picked. Ryan, however, will be the first choice for the 100 and 200 dashes. Clay will also be in these events and possibly in the high jump also. Other boys will be picked from McKay, Hooper, C. Patterson. In the quarter, Dye will probably also be a competitor. Stalling and McCully are likely to be the only ones in the broad jump with neither doing particularly well so far in practice. In the high jump, Beer and possibly Stalling and Clay will compete. Dye, McCully and H. Patterson are probable entries of the pole vault. In the hammer throw, Cochrane and Dillman are the first two men. Thompson, or St. John, may also catch a place on the team for this event. The arms three will probably enter the 800 yard put, though Wilson is another possibility. Dye, Beckup, and Parker are likely men for the hurdles, and of the mile, Bartlett and Lord are the most likely. Several are competing for third choice on the Mount Allison team for the 100 and 200 dashes. Acadia is picked here to win again.

DETECTIVES HERE IN SEARCH FOR ROBBER

Former St. John Man Wanted for Assault, Perhaps Murder, in Boston.
Two Boston detectives arrived in the city last night in search of a young St. John man, at one time a waiter, who is wanted in Boston on a rather serious charge.

It is stated that the person sought, who accompanied by a woman, last week struck a man on the head and rendered him unconscious and while in that state the St. John man and woman robbed the victim of about \$100.

The detectives were soon on the case and on searching the suspects room found letters from his St. John nephew. The man and woman have both left Boston and it was thought by the detectives that they had probably returned to St. John, which place the man had come from in February last.

Being unable to locate their man here last night the two Boston officers left the city this morning and expect to soon round up the suspects.

AN ACTION FOR RENT

Considerable time was taken up in the civil court this morning when a Mr. Milroy, the owner of a St. Andrews street house, sued a former tenant, Percy Taylor, for six dollars, the amount due for April's rent. J. King Kelley appeared for the plaintiff and J. B. M. Baxter for the defendant. The defense claimed that the plaintiff put a night latch on the only street door on the night of April 26th, and it prevented him from getting in when he wished. He entered the plea of being ejected.

The plaintiff claimed that the defendant had moved out all the furniture and the night latch was left up until ten o'clock every night. Judge Tuttle gave a verdict in favor of the plaintiff, and Taylor will have to pay the six dollars.

IT COSTS LESS

sometimes to keep the family all summer in the country than in the city. Many a lovely old farm lies within easy distance of the city. The farm wants the kids. The kids want the farm for the summer. Get in touch through the small want ad. Call main 25.
