A Definite Date.  
During the money stringency, says  
Judge's Library, a certain real estate  
man, having nothing else for his clerk  
to do, sent him out to collect some  
rent that was overdue.  
The clerk being of Swedish national-  
ity, had their peculiar twang in his  
speech.  
Returning from his trip the Swede  
seemed very jubilant.  
The proprietor, noticing his smile,  
said: "Well what luck did you have?"  
and the clerk answered: "Purty good!"  
Well, Smith he pay, and Yones he say  
he pay January."  
"Are you sure Jones said he would  
pay in January? He never before  
has made any such promises."  
"Well, I tank so. He say it bane a  
col day when you get dot money, and  
I tank dat bane in January."

When Sir Armoricus Tristram  
landed at Howth in 1177 and defeated  
the Irish at Ivora, he won thereby  
the barony of Howth and his sword  
still hangs at Howth Castle. The 28th  
baron was created Viscount St. Law-  
rence and Earl of Howth in 1767, but  
this ancient peerage has now become  
extinct by the death of the 4th Earl  
of Howth, who was just passed away  
unmarried, in his 82nd year.

Catcher Ball and Pitcher Jake Boul-  
ton of the Doves, were not taken on  
the trip to Philadelphia, but saw the  
Red Sox games yesterday from the  
grandstand.

New York, April 23.—Threatened Paris strike on May day declared off.

## THE MONTREAL STOCK MARKET

Special to The Standard.

Montreal, April 23.—The demand for flour is checked to some extent owing to the unsettled feeling in the markets for the raw material. Manitoba spring wheat patents, first \$8.10 to \$8.50; ditto seconds \$5.50 to 6; Manitoba strong bakers, \$5.40 to \$5.80; winter wheat patents, \$5.75; straight rollers, \$5.50 to \$5.80; straight rollers in bags, \$2.70 to \$2.75; extra in bags \$2.25 to \$2.35.  
Eggs—Receipts of eggs today were 1137 cases against \$19 for the same date last year. A fair trade is passing at 19c. to 19 1/2c. per dozen.  
Hay—The market for hay is easier owing to increased offerings. The demand for local consumption continues fair. No. 1 \$12.50 to \$15.50; extra No. 2 \$11.50 to \$12.00; No. 2, \$9 to \$10; Clover, mixed, \$3 to \$3.50; clover, \$7 to \$7.50.

Toronto, Ont., April 23.—The price of wheat has shaded a little as the result of the break in Chicago and offerings are slightly more plentiful, but there is not the drop which was experienced in other markets. There is still a real demand for Ontario wheat for domestic milling purposes and until this is satisfied there is not apt to be much softening in local quotations. Flour continues strong and there is little change in the coarse grains.  
Local dealers' quotations:—Manitoba wheat for delivery after the opening of navigation, No. 1 northern, \$1.27; No. 2 northern, \$1.24; No. 3 northern, \$1.22 1/2 on track, lake ports.  
Ontario wheat, No. 2 red, white or mixed, \$1.15 to \$1.19 outside quotations. Oats, No. 2 white, 45c. to 46c.; No. 2 mixed, 45c. to 45 1/2c. outside.  
Milled, Manitoba bran, \$22 to \$23 per ton; shorts, \$24 to \$25 track Toronto, Ontario bran, \$25; shorts, \$26, track Toronto.

MARKET WAS  
STRONG EARLY;  
CLOSE WEAK

New York, April 23.—Randolph's letter on the stock market says:  
The market was strong in the early dealings and prices very generally advanced fractionally over last night's close. Long stock, however, seemed to be encountered on the advance, and the market soon developed a good deal of irregularity with heaviness in Reading. Prices held with a narrow range, however, until the last hour, when renewed pressure was exerted throughout the list, converging on to two points below last night's close. Steel common was strong in the early dealings, but sold off later in sympathy with the weakness elsewhere. K. & T. Smelters, and one or two other specialties, were also early strong features, but they all weakened in the last hour. There

Sold at the Top.  
New York, April 23.—James Patchen says he sold all his wheat at the top.

was no news to account for the decline which seemed to be largely due to profit-taking, and to sales for short account by the professionals. It was also reported that a very large trader who is leaving for Europe tomorrow, had liquidated a big line of stocks. The announcement late in the day that \$2,000,000 had been engaged for export to Paris, may also have a sentimental effect in depressing prices. The close was weak, fractionally above the lowest.

## DIAMOND GLINTS.

Young McInnis celebrated his 4th appearance in New England on a m. or league club by getting a single out short after he had swung at two wild ones. He also scored one of the Athletics' runs.

## Washington has taken waltzers

President Comiskey, of White Sox, says there is no truth in the report that "Jiggs" Donohue is to be traded to Washington.

## Strunk, the Philadelphia cent

fielder, shows a lot of speed in getting down to first. He also one of the best hunters that the new crop players has produced.

## Bob Spade, the Cincinnati pitcher

is still at Hot Springs keeping in condition. He is holding out for more money from Cincinnati, and wants to be sold or traded as he says he never report unless the club's management comes to his terms.

## IN THE SQUARED CIRCLE.

Van Hague, who is matched to fight Langford, at London is a giant in size and a powerful hitter.

## The match between Frankie Madden and Tommy Murphy scheduled for Wednesday night, at New Town was called off.

Andrew Morris' next opponent will be Tom Sawyer, whom he boxes Portland tonight.

Sandy Ketchel and Tony Capor were matched Wednesday for a fight which likely will take place in Calumet, Mich., during June.

Joe Morris, of East Boston, will have a six-round bout with a fighter named Billy Dixon in Philadelphia with Stanley Ketchel, and also that he is trying to arrange a six-round bout with Jack Johnson. Case both men refuse to meet him O'Brien will endeavor to get Al Kahnman.

The preliminary for the Langford-Ferguson bout next Tuesday will be between Billy Dixon and Frank Ryan. Young Mantel and Tom Foley, of White, of the U. S. S. Missouri, will communicate with other clubs concerning a provincial league.

## HERE AND THERE.

The Victoria Baseball Club, Fredericton has elected the following officers:  
Captain—Byron Burden.  
Vice-captain—E. E. Quartermaster.  
Sec. Treas.—Fred Johnson.  
Manager—Charles McKinnon.  
The Victoria will in all probability play in Seely's Grove. They will communicate with other clubs concerning a provincial league.

It is said that the Moncton High School will not be represented at the year's interscholastic Track Meet, the prospects for a team are poor.

Renaud, who won the Boston A. J. Marathon, has thrown up his job as weaver for the Moskeog Manufacturing Company. He says he will not run again for at least three months.

## ANOTHER ITALIAN MAR- ATHONE

Two more men are loomed in connection with the Canadian Marathon Derby, to be run at the end on May 1st. The victory of Fred down over John D. Marsh makes it look like a man who ought to have good chance in the big contest. Marsh has made his reputation as a five miler, but it will be remembered that he ran third in the Marathon last October, and with endurance training has increased his power of endurance this spring. His defeat by Dorando caused a great many people to remember only his work as a five-miler, but it now looks as though he may break into the Marathon game with success. The runner who defeated Marsh at 14 miles should be heard from again.

The second man is Caesar Guadagnoli, an Italian, whose entry was the last one received. Guadagnoli is a water at King Edward Hotel, and comes in professional ranks without any reputation as an amateur. He is trained hard however, and without figures show what he can do he cannot let out of the reckoning, for there is just a chance that he may put in the dark horse of the race, as Yves did in New York.

## OTTAWA IS LOOKING FOR COACH

Ottawa, April 23.—The Ottawa Racing Club is still in a quandary about a coach.

Nether Jimmy Rice nor Viv. Nichols can be secured. Nichols has never considered seriously as he simply came out to coach Detroit in order to see the country, and will probably return to England shortly.

is endeavoring to find a man in England to take up coaching duties. Ottawa, however, and word is expected from him momentarily.

The Ottawas have just placed an order with Ayling, the celebrated English oar-maker, for a number of oars. These will be out about the same time as the shell which Clasper is building.

A meeting of the club was held yesterday, at which a dozen new members were passed. The total membership has now reached 175.
