MEN-OF-WARSMEN
FEATURE IT BIG
RECRUITING RALLY

Tell Thrilling Stories of
War and sing Melodies

H. G. Marr, Rev. F. H.
Wentworth, Sergeant
Hoare of the 69th, and
others, urge young men
to enlist.

An animated programme of song by
men from the warships who recently
arrived in the city from the West In-
dies, several stirring addresses by
men-of-war, Rev. F. H. Went-
worth, pastor of the Waterloo street
Baptist church and Sergeant Hoare
of the 69th Battalion, combined to
make last night's recruiting rally in
the German street quarters one of the
most lively ever held in the city.

The Citizens Recruiting Committee
devoted much of its time yesterday to
a discussion of recruiting methods in
general. The necessity for registra-
tion of available men was one of the
subjects considered, but no definite
action was taken. The perfection of
the system by which recruiting ser-
geants are campaigning for new men
was discussed and steps will be taken
to make the plan as thorough and
efficacious as possible.

A number of men were brought in
by the men of the recruiting detach-
ment of the 15th Battalion yesterday.
The men had been picked up in the
streets. The total number they have
satisfactorily brought in is about 20. Un-
fortunately, as is usually the case with
new men in new posts, there has been
a certain amount of duplication.

Indeed, the canvass is proving the
suspect in recruiting there is reason
to believe that it is occasionally
nothing but another form of "cold feet."
One man who seemed physically fit,
but who was rejected for eyes less
than three days ago, was offered a
lighter post as officer's servant. He
made a great fuss of accepting. But
on re-examination by the medical man
who knew that the severest test was
not required for the post, the appli-
cant's eyes seemed far worse than the
day before and, it is said, that letters
that he could read at ten feet on the
first occasion were nothing but ink
blurred to him at eight feet at the
second examination. One man who
stood by advised the candidate to get
out quickly before he got stone blind!

But it must not be thought that this
blacker side of a big undertaking is
the only one. The vast majority of the
would-be recruits are genuinely fine
young fellows who, whether taken on
or not, are offering in good faith. That
the men accepted for the 11th are of
this type is proved by the strong and
fearless alert and keen to do the
work they enlist for, is obvious to
anyone who regards them on the
march. When this passing phase of
scrutinizing over-it has been known
in other places—the 11th will unques-
tionably fill up with men like those
who have been accepted, and one
could not say more for any battalion
of infantry anywhere under the sun.

MISSION CHURCH OF

ITS ANNUAL MEETING

Reports show successful
work during year—Mu-
sicale heartily enjoyed.

The annual meeting of the congre-
gation of the Mission church of St.
John Baptist, Paradise Row, was held
last night, there being a good attend-
ance. Rev. John V. Young, priest-in-
charge, presided and read his report
which was in part as follows:

On Advent Sunday the Lord Bishop
of the Diocese visited the church,
when I was duly inducted as Priest in
charge. At this service the Bishop
confirmed a class of nine boys, one
woman and eleven girls, making a
total of twenty-one.

During the past year there have
been 430 public celebrations of the
Holy Eucharist. On twenty-one dif-
ferent occasions the sick have been
visited for the purpose of receiving
the Blessed Sacrament. The other
statistics are as follows:—Baptisms,
5 adults; 31 infants; marriages, 9;
burials, 23; churchings, 9.

arm, having left the other in France.
He left Canada with the 13th Montreal
Highlanders and in the battle of Fest-
bert was wounded in eight places.
Since that time he had been in four-
teen different hospitals in France and
England, where he had the best of
care and attention, but he was glad to
get home. Among those who returned
were several McGill students who
came back to take their senior year.

LOCAL BUSINESS MEN
LEARN OF THE Y.M.C.A.
WORK FOR SOLDIERS

About fifty of the leading business
men of Saint John gathered at the Y.
M. C. A. at noon yesterday to have
lunch and listen to Charles W. Blis-
hop, the general secretary of the Na-
tional Council for Canada outline
plans for the extension of the military
work of the Y. M. C. A. made neces-
sary by the increase in the number of
Canadian troops being raised. Capt. A.
W. Forgie was also present, and told
of the work being done for the men in
the trenches.

Mr. Bishop told of the work being
done in England, France, Russia, Aus-
tria and Italy among the soldiers and
prisoners of war. It had been recog-
nized that the Y. M. C. A. made neces-
sary by the increase in the number of
Canadian troops being raised. Capt. A.
W. Forgie was also present, and told
of the work being done for the men in

CHILD GETS SICK,
GROSS, FEVERISH
IF CONSTIPATED

"California Syrup of Figs"
can't harm tender stom-
ach or bowels.

A laxative today saves a sick child
tomorrow. Children simply will not
take the time from play to empty
their bowels, which become clogged
up with waste, liver gets sluggish;
stomach sour.

Look at the tongue, mother! If
coated, or your child is listless, cross,
feverish, breath bad, restless, doesn't
eat heartily, full of cold or has sore
throat or any other children's ailment,
give a teaspoonful of "California
Syrup of Figs," then don't worry, be-
cause it is perfectly harmless, and in
a few hours all this constipation pos-
sion, sour bile and fermenting waste
will gently move out of the bowels,
and you have a well, playful child
again. A thorough "inside cleansing"
is oftentimes all that is necessary. It
should be the first treatment given in
any sickness.

Beware of counterfeit fig syrups.
Ask your druggist for a 50-cent bottle
of "California Syrup of Figs," which
has full directions for babies, children
of all ages and for grownups plainly
printed on the bottle. Look carefully
and see that it is made by the "Calif-
ornia Fig Syrup Company."

THE GIRL THAT IS PALE
SHOULD READ THIS.

She is in danger, her system is run-
down, weak—she needs nourishment,
needs richer blood. More than all else
she needs Ferreroze, needs it because
it brings back the nerve energy which
rapid work and study have exhaust-
ed. The old-time vigor, happy spirit
and new strength return with Ferreroze.
The delicate maid is energized,
strengthened and rebuilt. Isn't it
worth while using Ferreroze when it
surely does so much. At all dealers in
50c. boxes.

AT ONCE! STOPS
STOMACH MISERY
AND INDIGESTION

"Pape's Diapepsin" makes
sick, sour, gassy Stom-
ach feel fine.

Do some foods you eat hit back—
taste good, but work badly; ferment
into stubborn lumps and cause a sick,
sour, gassy stomach? Now, Mr. or
Mrs. Dyspeptic, get this down: Pape's
Diapepsin digests anything, leaving
nothing to sour and upset you. There
never was a more effective, so safely
and so readily effective. No difference
how badly your stomach is disorder-
ed you will get happy relief in five
minutes, but what pleases you most
is that it strengthens and regulates
your stomach so you can eat your fav-
orite foods without fear.

Most remedies give you relief some-
times—they are slow, but not sure.
"Pape's Diapepsin" is quick, positive
and puts your stomach in a healthy
condition so the misery won't come
back.

You feel different as soon as "Pape's
Diapepsin" comes in contact with the
stomach—distress just vanishes—your
stomach gets sweet, no gases, no belch-
ing, no eructations of undigested
food, your head clears and you feel
fine.

Go now, make the best investment
you ever made, by getting a large
50-cent case of Pape's Diapepsin
from any drug store. You realize in
five minutes how needless it is to
suffer from indigestion, dyspepsia or
any stomach disorder.

MAYOR TO ENTERTAIN SAILORS.

Mayor Frink has been requested to
see to the entertainment of the 120
old sailors of the British fleet and
the only one. This His Worship has
consented to do. He remarked yester-
day that it was only a trifling repay-
ment of the debt that we all owe to the
right type of soldier, strong and
unmindful of the work they are doing
on the rare occasions that they come
to St. John. The entertainment is like-
ly to be on the same lines as that
which proved so unexpectedly success-
ful at the German street recruiting
rally a little time ago.

ADELINA PATTI
THE QUEEN OF SINGERS

There was a time, and it is not en-
tirely passed, when to mention prin-
cesses you would instantly think of
Adelina Patti. She was born in Mad-
rid, Spain, and her parents were oper-
atic singers of Italian ancestry. She
first sang at an early age in New York,
but her fame was secure after her
first appearance in London, and from
that time she has been one of the
most famous singers of the day. The
rich bell-like quality of her voice and
remarkable evenness of tone had a
range as a high soprano never sur-
passed, and her cadenzas and trills
were the delight of her admirers. Ad-
elina Patti will owe much of her fame
to the way and manner in which she
sang "Comin' Thro' the Rye," al-
though her greatest success was "Ma-
guerite" in Gounod's "Faust." She
never underestimated the value of the
songs that touched the heart. "The
Last Rose of Summer" is a song that
will always be identified with Patti.
"Comin' Thro' the Rye" and "When
to Thy Vision" from Gounod's
"Faust," both are to be found in
"Heart Songs," the book now being
offered to the readers of this paper, at
cost of distribution and five coupons.
"The Last Rose of Summer" is to be
found on page 146 of the volume, and
is only one of the many favorites of
Patti that render the book a posses-
sion that should be in every home.
to be found in every home.
