JOY ENTERS THE McDONALD HOME

Daughter Again Picture of Health After Several Months' Illness.

"Tanlac has certainly brought joy to our family for it has restored my seventeen year old daughter to perfect health," was the statement made a few days ago by Mrs. Mary McDonald, of 16 South Kilnem street, Halifax.

"Florence was operated on about a year ago and she has never been able to get over the effects of it until now She didn't seem to have any strength or energy and just had to drag herself about all the time. Often she went all day long without eating scarcely a bite of anything and that kept me worried all the time.

"Every morning she complained of feeling weak and dreary, and it just seemed to take all the strength she had to get out of bed and dress herself. Quite frequently she had awful headache spells and we could not get a thing that would relieve them. In spite of everything we did she gradually grew worse and fell off in weight all the time.

Finally I decided to get her some Tanlac and see if that would help her, as several of our friends spoke well of it. That was two months ago, and today she is the very picture of perfect health. She looks like a different girl and all our friends are surprised to see her so well and strong.

"Her appetite is just splendid and everything she eats seems to agree with her perfectly for she never complains of even so much as an uncomfortable feeling now. Those headaches have all left her and she has gained back all her lost weight and strength. She is bright and cheerful all the time and takes a new interest in everything. I am certainly thankful that I tried Tanlac, and I wish every mother in Halifax knew what I know about it."

Tanlac is sold in St. John by Ross Drug Co. and F. W. Munro under the personal direction of a special Tanlac representative.—Advt.

Exmouth Church Missionary Society

Winter Work Plans Were Discussed at Interesting Meeting Tuesday.

An interesting programme was carried out Wednesday afternoon by the Woman's Missionary Society of Exmouth Methodist Church. The devotions were led by the President, Mrs. George Dawson, the subject being "Personal Service."

Miss Rose Hopkins, for many years engaged in deaconess work in Halifax and more recently in Toronto was a welcome visitor. As Miss Hopkins is to spend the winter in St. John she will be a valuable addition to the work of the society.

The superintendent of Christian Stewardship, Mrs. Lawson, read a helpful leaflet regarding that work. Several missionary items on China were read by members.

A meeting of the executive is called for next week to prepare for the October meeting which will be 'Dues Day," and to plan the winter's work.

A vote of thanks was passed to Mesdames Alex and Charles Magee for the hospitality extended to the society at the August meeting. The members met at the home of these ladies at East St. John and the meeting was held on the lawn. After an excellent programme had been carried out lunch was served. The members present enjoyed the meeting very much.

ALL ROADS LEAD TO HAMPSTEAD SEPTEMBER 18

Valuable prizes will be given for the several events; a great football match will be played between a St. John and Hampstead team. The brass band from St. John will be in attendance and a dancing platform will be on the grounds. Refreshments will be served. S.S. Oconee will run an excursion from St. John, leaving at 9.30 a.m. Band will play on steamer. Train will leave Union Station 1.55 p.m. Steamers Oconee and Dream will return to city in the evening.

"How are we to meet the high cost of living?"

"You don't have to meet it," answered the irritating person, "it overtakes you."—Washington Star.

A Splendid Hair Grower and Wonderful Beautifier

Here is good news for all men and women whose hair is powdered with dandruff, faded, dry, streaked and scraggly—is falling out badly, and whose scalps itch like mad.

Your druggist can now supply you with the genuine Parisian sage which is guaranteed to quickly and safely banish every sign of disgusting dandruff, stop all itching, check falling hair and stimulate a new growth, or money refunded.

Thousands can testify to the excellent results from its use; some who feared being hairless now glory in their abundant hair, while others who were annoyed for years with dandruff and itching head get a clean, healthy scalp after just a few days' use of this simple home treatment.

Parisian sage is a scientific preparation intended to supply all hair needs. It's easy to use, perfectly harmless, not sticky or greasy, and even the first application usually makes the hair and scalp look and feel 100 per cent better.

If you want to save your hair, make it always look its best, and start a new growth; don't delay—begin using Parisian sage now—tonight. A large bottle is inexpensive and costs you nothing if it does not give perfect satisfaction.

The Disposal of Dead Animals

An Offer Made to Board of Health from Louis Echebrecht, Giving Prices.

The disposal of dead animals and offal has recently engaged the attention of the Board of Health, the destruction by fire of the fertilizing plant at East St. John having eliminated the receiving station hitherto employed.

The Board has submitted an offer by Louis Echebrecht, of East St. John, agreeing to remove and bury all dead animals for $500 per annum from the city, $2 a piece if from East St. John, $3 from Fairville and Pleasant Point.

The Board decided to hold a conference with the Common Council as to the extra demand upon the Board's appropriation before accepting the offer.

ALTERATIONS IN BAY FUNDY SERVICE.

COLUMBIA'S REAL HEAD A WOMAN

(Copyright, 1920, by Public Ledger.)

Washington, Sept. 15.—Miss Mabel Boardman's appointment by President Wilson as president of the Board of District of Columbia commissioners is the all-absorbing topic of Washington. The presidency of the board is tantamount to the "mayoralty" of the national capital, carrying with it all the prerogatives usually enjoyed by the chief magistrate of a city. The post pays $5,000 a year salary. Miss Boardman now occupies the highest federal office filled by a woman. The president's appointment is highly commended on all sides. Mrs. Helen H. Gardener, a member of the civil service commission, probably holds the next highest national office filled by a woman.

PENSIONS LOST BY WOMEN WHO GAVE THEIR WRONG AGES

(Copyright, 1920, by Public Ledger.)

Washington, Sept. 15.—The traditional unwillingness or whatever it is that causes women to fight shy of divulging their true ages has brought grief bordering on tragedy to several feminine employees of the Government because they misrepresented their true age or refused to tell how old they are, they are now likely to lose the benefits of the Federal Retirement law enacted by the last Congress.

The law provides that after persons have been employed by the Government for a certain number of years and have reached a ripe old age when they should receive a pension, that they be retired with a small income to meet their needs. At the time some of the elderly women in the Government service entered this work they evidently did not anticipate a pension law nor did they expect to stay in the jobs so long.

For it now develops that they have robbed themselves of the benefit of the law. Although in reality they are fully entitled to it, the records show that they have not reached the required age.

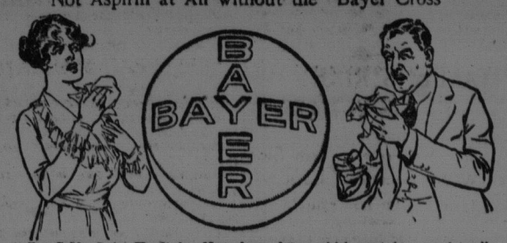
ONLY TABLETS MARKED "BAYER" ARE ASPIRIN

Not Aspirin at All without the "Bayer Cross"



For Colds, Pain, Headache, Neuralgia, Toothache, Earache, and for Rheumatism, Lumbago, Sciatica, Neuritis, take Aspirin marked with the name "Bayer" or you are not taking Aspirin at all.

Accept only "Bayer Tablets of Aspirin" in an unbroken "Bayer" package which contains complete directions. Then you are getting real Aspirin—the genuine Aspirin prescribed by physicians for over nineteen years. Now made in Canada. Handy tin boxes containing 12 tablets cost but a few cents. Druggists also sell larger "Bayer" packages.

There is only one Aspirin—"Bayer"—You must say "Bayer"

Aspirin is the trade mark (registered in Canada) of Bayer Manufacture of Monoaceticacidester of Salicylicacid. While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company will be stamped with their general trade mark, the "Bayer Cross."

$550.00 Piano--$125.00 Phonograph, and Other Valuable Awards for the Best, Neatest, Correct Solutions to The 'Alladin's Magic Square Puzzle'

FIRST PRIZE

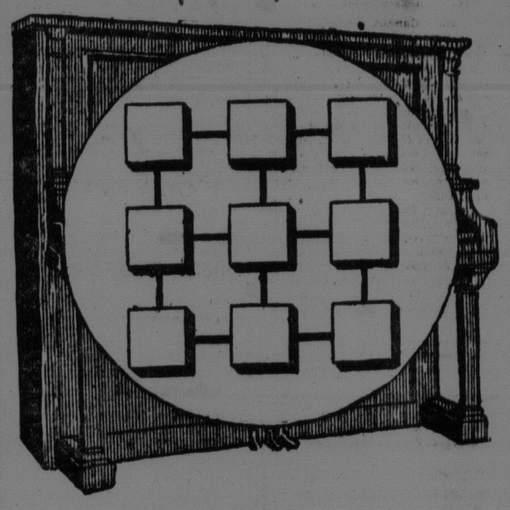
$550 Brand New Amherst Make Piano—For the best, neatest, correct and most original solution to the Alladin Magic Square Puzzle.

SECOND PRIZE

$125 Cremonaphone Phonograph—For the second best, neatest correct solution to the "Alladin" Magic Square Puzzle.

Every person submitting a solution will receive a letter in reply even though the solution does not win one of the first two prizes.

THERE ARE TWO CAPITAL PRIZES—ONE PIANO FREE — ONE PHONOGRAPH FREE — and these to the best solutions as stated above—all other contestants entering correct solutions will be awarded purchasing vouchers. Particulars of value of same explained below.



Can You Solve This Puzzle? It Can Be Done!

DIRECTIONS—In the magic squares fill in any series of numbers from one to fifteen—using no number more than twice—in such a manner that the total when added Vertically and Horizontally and Diagonally will total 21. Solutions may be entered on this or on a separate sheet of paper or other material.

Our Reason For Doing This—

Pianos and Phonographs have never been as high in price as at the present time. We feel that we can get in touch with Piano and Phonograph buyers in this manner at less expense than on any other plan. This saving is diverted into the pockets of the buyers. This without in any manner detracting from the worth or value of the instruments. Acting as direct New Brunswick distributors for the Amherst Pianos Ltd., of which our store is a branch, we are in a position to create actual savings to buyers.

Bear in Mind the Following—

One Piano will be given free to the best solution—One Phonograph will be given free to the next best solution. Every contestant entering a solution will not get a Piano or Phonograph free. The prizes are for the best, neatest, correct solutions. Purchasing vouchers, however, will be awarded to all contestants and the value of these vouchers represents the salesman's commissions—and are guaranteed by this firm bona fide reductions from the regular retail price.

CONDITIONS — Any family not owning a Piano or Phonograph are eligible to enter this contest.

Solutions may be entered on this advertisement or on any separate paper or other material desired.

Each person submitting a solution agrees to abide by the decision of the judges. All replies submitted are to become the property of the Amherst Pianos Ltd., and will be held by them as such.

AWARDS — The first Prize will be awarded to the best, neatest, correct and most Original Solution. The second best will be awarded to the solution considered next best. All other persons sending correct solutions will receive Purchasing Vouchers—as this is a Piano and Phonograph selling campaign and we take this method to arouse interest among families who are not supplied with Pianos and Phonographs.
