

## THE WEATHER

Toronto, June 28.—An area of low pressure is centred to night over the Ottawa Valley and pressure is highest over the Pacific and Atlantic coasts. Local thunder showers have occurred in the west and high showers have fallen today in the vicinity of Lakes Erie and Ontario, and in scattered districts of the Maritime Provinces. The weather has been generally fair and quite warm in other parts of the Dominion.

St. John	54	68
Vancouver	48	72
Calgary	48	72
Edmonton	48	72
Prince Albert	50	80
Winnipeg	54	82
Port Arthur	56	86
Parry Sound	56	86
London	58	88
Toronto	68	80
Ottawa	62	86
Quebec	64	86
Halifax	50	60

Maritime—Moderate to fresh southeasterly winds, partly fair with showers in some localities, much fog.

Northern New England—Showers Wednesday; Thursday, partly cloudy, somewhat warmer on the Maine coast; moderate south and southwest winds.

## AROUND THE CITY

**INSPECTING ROADS.**  
B. M. Hill, provincial road engineer, went to Musquash yesterday to inspect the permanent road in that vicinity.

**Rev. Father McDougall, C.S.C.**, and professor of Latin and English at St. Joseph's University, arrived in the city yesterday morning and are the guest of Rev. A. W. Meahan, D.D.

**SEEKING INFORMATION.**  
The Chief of Police has received a letter from Los Angeles, Cal., from Mrs. Emerson, asking information about Capt. Daniel and Minnie Monroe, father and mother of Charles Alexander Monroe of New Brunswick.

**BOARD CONSIDERS.**  
The board of arbitration in connection with the dispute between the longshoremen and the Royal Mail Steam Packet Co. regarding the handling of sugar at this port met yesterday, and after hearing evidence, adjourned to meet at the call of the chair.

**HAD HAND CUT.**  
William Morrison had his hand painfully cut while at work in Haley Bros. mill yesterday morning, when he struck it against a saw. He was treated at the public hospital where several stitches were necessary to close the wound. While not dangerous it would will cause Mr. Morrison to remain at the hospital for the present.

**THE BULLDOGS WON.**  
The South End Bulldogs defeated the West End Blue Rocks last evening in a fast game of baseball on the Queen Square diamond. West side the score being 7-5. The batter for the winners were Capon and McCarthy and for the losers, Leonard and Shonman. A return game is expected in the near future.

**NOVELTY SHOWER.**  
A novelty shower was tendered Miss Nellie Sandall at the home of Miss Ethel Love, Cliff street, by twenty-five of her friends last evening. The "shower" was encompassed in a large and prettily decorated basket in which were collected beautiful gifts of china, cut glass and linen. The evening was pleasantly spent in music and games and refreshments were served towards its close. Miss Sandall is to be one of the principal in an interesting event to take place in the near future.

**WORK COMPLETED.**  
Commissioner Jones announced yesterday morning that the work of deepening Newmarket Brook had been completed, and the pipe is now ready for the erection of the concrete arch which will replace the Newmarket Brook bridge in Adelaide road. The dam which had been holding back the water of the brook while work was in progress, was removed yesterday morning, and the flow showed that the work had achieved the desired result of draining the area in the rear of the Shamrock grounds.

**RETURNING FROM CAMP.**  
Rev. Canon Kubring returned yesterday from the Camp at Fredericton, where, as chaplain of the New Brunswick Dragoons, he conducted service on Sunday morning, preaching at the Cathedral in the evening. Canon Kubring spoke very highly of the discipline of the camp and of the character of the officers and men. The steadiness of the veterans was a help to the younger men, while the enthusiasm and interest of the younger soldiers is a very hopeful sign for the future of the militia in the province.

**JULY FIRST**  
**MAKE A DAY OF IT AT SEASIDE PARK**  
Band Afternoon and Evening  
**AFTERNOON PROGRAM**  
Sports, Amusements, Games and Dancing.  
Excellent Prizes for Every Event.  
Refreshments Served at Popular Prices.  
**EVENING PROGRAM**  
Band Concerts, Amusements and Dancing. Music for Dancing by Jones Orchestra.  
Prizes Awarded for Best Dances Couple.

## STREET CARS WILL NOT BE TAKEN FROM COMPANY'S BARN TODAY

Manager Thomson of N. B. Power Company Issues the Order After Learning Result of Men's Mass Meeting—Actions Didn't Harmonize—Company's Move to Keep Cars in Barn One of Precaution.

Not a street car will be moving in St. John today. The public depending upon the car service will be hunting other means of getting to and from their places of business.

## The Mass Meeting

The mass meeting of employees held last night to consider the Conciliation Board's recommendations, and the ultimatum of the New Brunswick Power Co., voted almost unanimously to stand by the Board's report. Only two members of the union, according to President Farris, voted to accept the company's wages schedule and conditions.

When the meeting ended it was generally understood that all should report for duty as usual on Wednesday morning and take out their cars on the regular scheduled runs. This was confirmed by a statement of President Farris of the union.

## Manager Thomson Acts

When the result of the mass meeting became known last night, their vote as recorded, and the men were going to take the cars out this morning, people were in a quandry as to what was really up, as the vote and the reporting for duty did not agree.

It was a late hour when Manager Thomson was acquainted with the action taken at the meeting of the men regarding the company's posted wage schedule and conditions and also their decision, in face of the vote, to take the cars out. He immediately issued orders that the cars should not be taken out today.

Manager Thomson informed The Standard early this morning of the situation that had developed. He said: "The fact that the men have rejected the company's propositions, and, on top of that, say they are to take the cars out as usual after some suspicion as to just what might be their motive. Certainly the two acts of the men do not harmonize."

Mayor Schofield made a last effort yesterday forenoon to bring the company and employees into an amicable settlement of their difficulties. Manager Thomson said that meeting made a little better offer to the men than the one posted Monday. He was willing to give to uniformed men 47 cents an hour and 5 cents additional for the One Man car operator. This was three cents an hour in excess of the schedule posted Monday. The union representatives held out for 50 cents an hour, and nothing was accomplished.

Mayor Schofield said, after the meeting, that the conference was called to have representatives of both sides of the dispute come before the council as representing the third party—the general public. Should the two parties to the dispute pull apart, he was understood to say that the city council would not take sides with either, but would put its whole energy into the protection of the citizens.

Those Eligible  
The carsmen who are eligible to row in this race are not to be over twenty-one years of age and is open to all amateurs in the Maritime Provinces. This excellent prize put up by Mr. Ross is certainly a real rowing lure, and will undoubtedly increase the interest in rowing and also cause a larger number of young men and boys to get into the rowing game.

Many Oarsmen  
Rowing had dropped in St. John for some years and it is only within the past few years that it has taken hold again and at present it is surprising to see the large number of new-comers taking to the shells every season; the competition is keen and in the larger of oarsmen there is the making of some very fast material.

St. John for many years was famous for its oarsmen and the present indications are that it will keep up its once wonderful record. All that is wanted is encouragement, and this is now being given by the different clubs in the city, as well as many lovers of the finest game in the athletic world.

## Seventy-Five Happy Children

Free Kindergarten Closing Picnic Held at Rockwood Park.

If ever there was a happy lot of children it was those who enjoyed the Free Kindergarten closing picnic at Rockwood Park yesterday. About seventy-five children from Central Kindergarten conducted in the G. W. V. A. building, Wellington Row, and that from North End on Simonds street were conveyed to and from the park in automobiles kindly supplied by Messrs. McAvity and Willitt. The children were taken to the grounds at ten o'clock in the morning and returned home at two o'clock in the afternoon.

A pleasing feature of the outing was lunch time when the large number formed in a circle on the grass and all recited their little prayer before partaking of the luncheon, and then watermelon, milk, cookies, candy and peanuts were served, and to say that the little tots had a good time is only putting it mildly, for the way they romped about and played games was most pleasing to the grown ups who were fortunate enough to be present. The Central school was in charge of Miss Louise Ester, who had as assistants Miss Elizabeth Stanley and Miss Elsie McDonald. The North End school was in charge of Miss Winifred Row, who had Miss Francis Graman as assistant.

**THE RED CROSS**  
It has been decided by Deer Island and Grand Manan to carry on the Red Cross Membership campaign in September.

## Near Fatality At Gilbert Lane Crossing

Citizen Claims Gates Not Lowered and City Team Has Narrow Escape.

The city fathers have decided to have a separation in the grade at the Douglas Ave. crossing, but a citizen yesterday called the attention of The Standard to a site where, he claimed, it was even more desirable to do away with the level crossing in the intersection of safety first, than at the former point, and this is the Gilbert Lane crossing.

This same citizen has called attention to the dangers of this point before, but an incident which happened yesterday morning stirred him to make another protest.

There is a set of gates at this crossing which are supposed to be put down when a train is passing. Yesterday when the suburban came in from Hampton, however, for some reason the gates, he claims, were not lowered and there came very near being a fatality. Two of the city teams were hauling soil from a private place to the Rockwood playground were on their way out, one about forty feet behind the other. The first one crossed the track and the train coming along just missed the second which had barely time to pull up.

## Discount Date Not Extended

Commissioner Moved Date be Extended to August 5 But Got No Second.

The discount date for the payment of taxes, repairs to the sidewalks, new sidewalks and sewers, and the restoration of water and sewerage and public works for a report.

A communication from S. Norman Sanctor, re sidewalk repairs on Wentworth street, was referred to the commissioner of public works.

Commissioner Frink reported that the complaint of the St. John Dock Co. about the state of a retaining wall, which was endangering their premises, was justified and recommended that the wall be rebuilt. As this was a bond issue, the report was received and action deferred until all the members of the council were present.

Commissioner Bullock brought up the matter of the discount date and moved this be extended until August 5. Mayor Schofield said the city was paying out about \$100 per day in interest. The motion failed to find a second.

Mayor Schofield suggested that Commissioner Jones make a report of the probable cost of putting the pump at Silver Falls in repair in case "one of the mains to Loch Lomond" breaking. Commissioner Bullock advocated the laying of a one leading main from the Marsh bridge to Loch Lomond as the proper mode of procedure. Commissioner Jones promised to bring in the report asked for.

## Cases Dealt With In Police Court

Case Against Harry Wetmore Dismissed—Ernest Northrup Charged With Theft.

After a lengthy review of the case and a summing up of the evidence brought forward by both the prosecution and defense, Magistrate Ritchie dismissed the charge preferred against Harry Wetmore, that of supplying liquor unlawfully to Lewis Christie, on the grounds of insufficient evidence into the police court yesterday afternoon. The addition of a rider setting forth the right of the prosecution to appeal the case, was strenuously objected to by E. S. Ritchie, for the defence in view of the fact that had the case been decided in favor of the prosecution, the defence would not under the act have been allowed an appeal.

Ernest Northrup pleaded not guilty to having stolen goods, the property of the Canadian Express Co. in transit to Brock & Patterson's Halifax branch, and valued at \$28. The accused took the stand in his own defence and stated he had fallen in with some employees of the St. John Photocure at the horse cars on Sullivan's siding foot of Dorchester street, on June 28th. One of the men gave him a couple of drinks and then handed him a parcel which he asked him to take down to the circus passenger cars and sell for him. The proceeds of the sale were to go to towards purchasing another bottle of liquor, and the accused was to be recompensed for his trouble. Northrup said he agreed, and had reached Gilbert's Lane when he was placed under arrest by the police. He had not examined the parcel and did not know what it contained, or where it had been secured by the man from the circus.

J. A. Barry, appearing for the prosecution, stated that the accused who admitted he had been before the court several times for drunkenness and once for theft. That occasion was some six or seven years ago, when he had been sentenced to two months in jail. K. J. MacRae appeared for the prisoner. Postponed to 10.45 this morning.

Carl Kelly was before the court on the charge of assaulting Helen Bradeau. Both the complainant and defendant gave evidence, and the case was postponed for further hearing.

A case involving the ownership of a dog, in which George Brown and Fred Haines were the principals, was dismissed.

## Near Fatality At Gilbert Lane Crossing

Citizen Claims Gates Not Lowered and City Team Has Narrow Escape.

The city fathers have decided to have a separation in the grade at the Douglas Ave. crossing, but a citizen yesterday called the attention of The Standard to a site where, he claimed, it was even more desirable to do away with the level crossing in the intersection of safety first, than at the former point, and this is the Gilbert Lane crossing.
