

The following Address to Lord Metcalfe (as Patron of the Society,) on his departure from the province was submitted, adopted, and signed by all present :—

To the Right Honorable CHARLES THEOPHILUS LORD METCALFE, Baron Metcalfe of Fern Hill, in the County of Berks, Knight Grand Cross of the Most Honorable Order of the Bath, one of her Most Honorable Privy Council, &c., &c., &c.

May it please Your Lordship,

The suddenness of Your Lordship's departure from the Seat of Government, compelled by intense sufferings, borne with signal fortitude for so many months, prevented the St. George's Society of Quebec from offering a respectful farewell to their kind Patron, on his return to England.

But the Members of the St. George's Society feel that they would be wanting both in gratitude and respect, if they were to omit the opportunity afforded at their Annual Meeting, of forwarding to Your Lordship this expression of their sentiments of sorrow and condolence at the not unexpected termination of Your Lordship's beneficent government in this Province, and its lamented cause.

Unexampled as has been Your Lordship's career of Charity and Benificence in this Government, you will have the satisfaction of reflecting how many grateful hearts you leave behind, and how sincere and deepfelt will be the wishes offered throughout the Province, that the most skilful application of Medical Science in Eng-
