

## FIFTH ANNUAL REPORT

—OF THE—

## Women's Mission Band of Knox Church.

In presenting our report, we desire to return thanks to our Heavenly Father for the large measure of success which has attended our efforts during the year.

We have now an active working membership of 16, and the meetings held on the 2nd Tuesday of each month have been very regularly attended.

During July and August, meetings have been held weekly for the purpose of preparing a box of clothing for the N. W. Mission, which was valued at \$50, of which the Band contributed \$20 in cash, the balance made up by donations of clothing and work by members and their friends.

The Parlor Concerts held through the kindness of Mrs. Edmonston and Mrs. Gillespie, at their residences, were very pleasant and enjoyable; and a concert given in the church, in April, was most successful in every respect.

Your committee beg to thank most heartily those who have come forward so generously to assist them during the year, and trust that the blessing of God may attend all our efforts.

EVA MALCOLMSON,  
*Secretary.*
