Do not neglect asthma, but use this preparation at once.

A HUNDRED-BARREL WELL

Latest Strike in the Mosa Oil Field Near Glencoe.

Extensive operations in the oil industry in the immediate vicinity of Glencoe are in good prospect. The latest well put down by the Carman syndicate of California has not been fully tested owing to lack of storage tanks, but the well has pumped at the rate of 100 barrels or over per day while filling available tankage. The oil has to be hauled to Bothwell station for shipment, but as soon as can be arranged for the oil will be loaded on the cars at Gillies' siding on the Glencoe-Kingscourt branch of the G. T. R., which passes directly through the new oil field, and will be shipped to Petrolia or Sarnia refineries.

This new well is on the farm of John Secord, lot 6, con. 6, Mosa, about four miles in a direct line west of Glencoe. Mr. McLeod, who is managing the business for the California syndicate, says that it is the intention of the company to put down more wells at once. A thorough test of the district surrounding Glencoe, both in Mosa and Ekfrid townships, will also be made as soon as land leases are secured.

A Week Full of News.

Much history has been made during the past ten days. On Monday of last week came the news that the British had taken Baghdad. Next day the United States determined to challenge Germany to fulfil her threat to sink all neutral ships in the war zone. Then came the discovery of German plots in the United States. On the following day came the railroad men's quarrel with their employers, threatening a strike that would have tied up the whole business of a continent. Incidentally, China followed the example of the United States in breaking off relations with Germany, and intimated that she would join them if they declared war, something unprecedented in history. Then came the Russian revolution by which 170,000,000 people refused to submit any longer to the autocratic rule of a czar, a revolution that was so popular that it was practically bloodless. The next event was the capture of Bapaume by the British. And now comes, all in one day, the settlement of the big railroad trouble, the sinking of three American ships in the war zone, with 22 men missing, a Franco-British advance of ten to twelve miles on a front of 100 miles, the Russian capture of Van and further Allied successes in Mesopotamia. Any one of these events would have afforded a week's sensation three years ago, but we have become so accustomed to being thrilled by big happenings every day that our brains cannot assimilate them fast enough.

Officers' and Soldiers' Debts.

As applications continue to be received at District and Militia Headquarters for assistance in the recovery of debts due to them by officers and soldiers serving in the Canadian Expeditionary Force or the Active Militia of Canada and by Officers or Sergeants Messes Regimental Companies, etc., it has been found desirable to state publicly that the military authorities have no power to enforce payment and they are unable to assist in the recovery of private debts.

Therefore, all persons who give credit to officers or soldiers do so at their own risk. Officers, non-commissioned officers and men are as amenable to the civil law of the country as any other class of His Majesty's subjects, with this exception, that no execution can be taken against their person, pay, arms, ammunition, equipment, instruments, regimental necessities or clothing.

St. Patrick Box Social.

A dark night and muddy roads didn't keep the people from turning out in goodly numbers to the box social held last Friday night in No. 3 school house. The success of the social from a financial standpoint was due in a large measure to the efforts of the auctioneer, Mac McAlpine of Dunwich. Seventy-nine boxes were sold, prices ranging from thirty cents to three dollars and bringing a total of \$78.90. The chairman, Lachlan Leitch of Kilmarin, explained to the people in his short address that the money was for patriotic purposes and he hoped they'd all do handsomely. Following is the program:—Chairman's address, Mr. Leitch's violin selection, George Grant's instrumental, Miss Jennie McKellar's song, Garfield Munroe's violin selection, Duncan McAlpine's quartette, Misses Bechill and Talk Meers, McAlpine's violin, Haxton's mouthorgan selection, Duncan McAlpine's instrumental, Miss Jean Sutherland's vocal duet, Miss Merle Holman and Master Robert McKellar's violin selection, Duncan McAlpine's whistling solo, Miss Merle Holman's recitation, Miss Jean Holman's song, Garfield Munroe's instrumental, Miss Jennie McKellar's song, then the singing of the National Anthem brought the meeting to a close.

For various reasons the committee for this week have decided to hold the literary meeting on Friday evening instead of Thursday as usual.

Beware the Speculator.

In view of the oil find in the district, it might be well to caution farmers against leasing their land to speculators—men who make it a business to lease up tracts of land near a new find and sell to the highest bidder. Doubtless many good operators will be ready to lease, to whom farmers should give every encouragement. Before you lease to a stranger, enquire into his experience in the oil business and what his future intentions are.

KILMARTIN.

Miss Georgina McIntyre of Toronto, formerly of Walkers, underwent an operation for appendicitis in that city recently.

Gordon Campbell of Hamilton visited his grandparents, Mr. and Mrs. Duncan Campbell, recently.

Among those who left for the West last week were Mr. and Mrs. Mac Downie and Neil J. McKellar.

Burns' Church Red Cross met at the home of Mrs. A. D. McAlpine recently, with a large attendance. The following receipts were reported:—Proceeds of tea, \$13.75; proceeds of play at Appin by S. S. 17; dramatic club, \$29.05; contributions for soldiers' sanitarium at Byron, \$40.75. It was decided to hold a bazaar for the Red Cross on May 24th. The next meeting will be held at Mrs. Wm. L. Walkers on Wednesday, April 4th.

NEW MINISTER INDUCTED

Glencoe Presbyterians Give Rousing Welcome to Rev. Mr. Lloyd.

Glencoe Presbyterian church was crowded to the doors on Tuesday afternoon when the interesting and impressive ceremony was performed of inducting Rev. G. S. Lloyd, M. A., into the pastoral charge of the congregation. The service was under direction of the Presbytery of London. Rev. Wm. S. Gahraeth of Thamesford, moderator, presided and inducted; Rev. J. H. Stewart, B. A., of Dutton, preached; Rev. Dr. McRae of London addressed the minister, and Rev. J. McKay, B. A., of New St. James church, London, addressed the congregation. Rev. Dr. Fraser Smith, moderator pro tem of the Glencoe session, reported proceedings as to the call. Prayers were offered by Rev. R. Fulton Irwin, pastor of the Glencoe Methodist church. The choir led in the praise service and rendered as a voluntary the anthem "Who is on the Lord's side."

At the conclusion of the service a reception was held and the new pastor introduced. Many were present from other congregations both in Glencoe and in the neighborhood, including the resident ministers. A telegram was read from Mr. Weir, lately translated from this church to Ridgeway, extending his hearty congratulations to the congregation and pastor.

A felicitous two hours was then spent in the Sunday School hall, where the ladies served a bountiful supper.

Dr. McRae and others of the speakers paid high tribute to the character and hitherto good work of Mr. Lloyd, and congratulated the congregation of Glencoe on their choice of a pastor.

Mr. Lloyd, who is an energetic young man of pleasing address, was born in York county and was educated at Aurora High School. After teaching school for a few years in his native township of King, he attended Toronto University, where he graduated in Arts with honours in Greek and Hebrew in 1913. He took the degree of Master of Arts the following year, and graduated in Theology from Knox College, Toronto, in 1916. He was ordained to the ministry by the Presbytery of London, and for the past year has been temporarily in charge of Chalmers church, London.

Appin

The next regular meeting of the Women's Institute will be at Mrs. Jones' Thursday, 29th March. All members and those interested in Red Cross work are expected to be present.

A correspondent writes:—Allow me to call attention to the fact that last Thursday there were men seen in the village of Appin in an intoxicated condition, in violation of the Temperance Act, and if the same condition of affairs happens again they will not get off as easy as they did last week, for this thing will not be tolerated any longer in Appin.
