OWES HER LIFE TO
"FRUIT-A-TIVES"

After Years of Suffering with Dyspepsia, this Fruit Medicine Gave Relief

MLLE ANTOINETTE BOUCHER

"I am writing to tell you that I owe my life to 'Fruit-a-tives' for this remedy relieved me when I had abandoned all hope of ever recovering my health. I suffered terribly with Dyspepsia. I had it for years and all the medicines I took did not do me any good."

I read something about 'Fruit-a-tives' being good for all Stomach Troubles and Disorders of Digestion so I tried them. After finishing a few boxes, I was entirely relieved of the Dyspepsia and my general health was restored.

I thank the great fruit medicine, 'Fruit-a-tives', for this wonderful relief."

MLLE ANTOINETTE BOUCHER.

EASY TO DARKEN
YOUR GRAY HAIR

You can Bring Back Color and Lustre with Sage Tea and Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.

Gray, faded hair, though no disgrace, is a sign of old age and we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound and look years younger.

Although a very busy man for the short time he has at his disposal before sailing for England, Sir Adam Beck, in response to an invitation from Mayor Mercer will be at Galt on Tuesday night next with Chief Engineer Gaby to explain the hydro-radiol proposition to the electors, who vote of the by-law on January 1st.

ABOUT 170 years ago tea sold in England for \$14.60 a pound. It was a luxury which only the wealthy could afford.

Thanks largely to the great increase in the area of tea plants under cultivation in India during the past fifty years, there is enough tea grown to-day to supply tea to the world at a price even the poorest can afford.

A cup of "good" tea—Red Rose Tea—costs only a fraction of a cent. There is hardly anything sold in the grocery store that gives more value or more pleasure for the money.

Consisting chiefly of ASSAM teas—the richest and strongest of Indian teas—Red Rose is exceedingly fragrant, flavory and economical. It is a tea of real quality and real value.

Sold only in sealed packages.
