Hello there, Ladies!

Do you want to be up-to-date, or left behind.

If you do not wish to be left behind, then always have your hair dressed becoming and stylish, every gent. likes to see a lady's hair carefully arranged; and, to do so, the majority of ladies have not sufficient hair, and unless they wear a switch they cannot dress or have their hair dressed becomingly, as the present style demands it.

Buy your Switches from us, and save money and trouble.

Our Switches are the best in the market. We will exchange any switch if not satisfactory. When ordering please send sample of your hair and amount.

All goods sent concealed from observation.
