
 PARLIAMENTARY PROCEEDINGS.

ON Tuesday the 4th of February His HONOR ALEXANDER GRANT Esquire, President, Administering the Government of the Province of Upper Canada, opened the Second Session of the Fourth Provincial Parliament with the following Speech :

*Honorable Gentlemen of the Legislative Council,
And Gentlemen of the House of Assembly,*

“ **B**Y the much lamented death of Lieutenant Governor Hunter, the Administration of the Government of this Province hath devolved on me :—I most sincerely condole with you on that melancholy event ; his faithful and meritorious Services to the Public, in this part of his Majesty’s Dominions, will be long felt and remembered :—It shall be my endeavour to imitate and to follow his Example.

Since the last Session of this Legislature, Commissioners have been appointed, for carrying into effect the Provisions of an Act, for affording relief to those Persons, who may be entitled to claim Lands in this Province, as Heirs or Devisees of the Nominees of the Crown to such Lands ; I make no doubt, by the exertions and abilities of those Gentlemen, to whom that important trust is delegated, the Public will soon receive the most important Benefits from the operation of that salutary Law.
