Your Stomach—You Have It Always With You

You have to take it with you to the Summer camp, the bungalow in the woods, the cottage at the seaside—and if you are good to it the Summer vacation will be full of joy and gladness. Before leaving ask your grocer to send a case of

SHREDDED WHEAT

and a case of Triscuit (the Shredded Wheat wafer) to your camp or Summer home. It will mean freedom from worry and work. SHREDDED WHEAT is ready-cooked and ready-to-serve. Two Biscuits with berries or other fresh fruit, served with milk or cream, will supply all the strength needed for work or play. Nothing so wholesome and nutritious and nothing so easy to prepare. TRISCUIT is eaten with butter, soft cheese or marmalades. A crisp, tasty snack for the camp or the long tramp.

Made only by
Canadian Shredded Wheat Co., Ltd., Niagara Falls, Ont.

Look at this Grate Bar

The reasons for its saving of fuel and simplicity of operation are surely worth a minute of your time.

THAT'S the King grate bar. And in every sense it's a *great* bar. Not a bolt or split pin anywhere to require cold-chisel-and-hammer treatment. Working independently of each other, it takes but a moment and a pair of hands to remove or replace them. The fire in the boiler is dumped by simply *reversing* the shaker.

KING BOILER & RADIATORS

The shaker is always in position, but never in the way. The connecting rod of the King being placed at the side, instead of the centre, allows the draft to be evenly distributed over the whole grate surface, causing perfect combustion and the abstraction of every unit of heat energy from the fuel.
