THE WINGED TOBACCO. A New Yorker writes the reasonable and popular position.

The decline of roller-skating has been marked by more pronounced in tobogganing.

There seems to be something in the nature which leads him to slide on something, even if it be nothing more than a banana peel.

Winter toboggan slides came into existence in all parts of the country where snow and ice were prevalent, and this season the merry chutes will be largely increased in number.

Tobogganing has many advantages over roller-skating. In the first place, it costs a great deal more and is most charming.

It is to the interest of smokers to buy only the above mentioned brands. Manufactured by S. DAVIS & SONS, MONTREAL AND TORONTO.

Now Exciting the Highway in. From the Toronto Evening Herald.

The modern sport of tobogganing is more exciting than a prize fight. Imagine yourself going down hill on a slippery path, holding on for dear life to a sliding toboggan.

It is a most interesting and profitable business. The toboggan is a simple contrivance, consisting of a flat board, with runners at the ends.
