A. R. Hession Esq

Dear Sir

I have got Mr McNeal the
member for Bruce to apply
to the Indian Department
at Ottawa for a mill
light on Sidney Bay for
me to build a Saw Mill
Sidney Bay is on the Indian
Reserve I could get within
half a mile of the Bay without
trespassing on the Reserve but
it would not pay me to
move there except I can
get to the water to ship
I have the permission of
the Indians Council which
I have sent also a petition

Indian Affairs. (RG 10, Volume 2481, File 99,934)
