C 18719

The Com of the New York inspectors reported  
the same year, that though great results  
had been accomplished in New York, under  
the Smuggling laws of that State, yet the  
system still existed, and <sup>that</sup> clothing made  
under the system in New Hampshire &  
other States, was still sold in the markets  
of New York.

( In 1846 a bill was introduced in the  
H of R, and later referred to the Committee  
on Ways & Means )
