

passing of the
provision to pay as proposed
estimates. would not effect
the object, nothing so far
as I can see will do that
but power to advance to
the extent of \$3,500,000
by 8th July. If this cannot
be obtained it is not a
bit of use of any thing
to carry on any longer.

and in addition to ask
authority of Parliament
to make at once an
advance of \$3,500,000 in
use of the proposed \$22,500,000
loan. If this were paid
over to the Bank, we
should have no difference
in balance
