My dear Senator Dennis:

It was very good of you to give me such a fine write-up in the Herald. I don't suppose write-ups now do me any good, but I have the satisfaction of knowing that there never was a time when either yourself, your uncle or your paper failed in absolute loyalty to me. You don't have any changes to make now, and I certainly value highly your goodwill.

Have been very much concerned about your health and repeatedly asked Mrs. Tufts about you.

My present idea is to go out to Nova Scotia this summer at the time of the Bar Convention. I don't take any part in the Association at all, but it might be a good time to be there, and it is some years now since I saw our old friends in N. S. am especially anxious to see you, and I think you can confidently look for my showing up about the 18th or 19th of August.

Very sincerely yours,

Hon. Senator W. H. Dennis,
