347 Bay St Toronto,
November 15, 1933.

Dear Mr. Williams:

I have your letter of 13th November.
Apparently the arrangements I set out to make for the
taking care of the house and saving it from taxes have
already been upset. I really do not feel justified in
asking perfect strangers to subscribe under these con-
ditions. At the same time I cannot refuse to do something
myself, and I intend to send down \$100.00 the middle of
next month just as an expression of good will to Gerald.

Yours very truly,

Mr. W. H. Williams, K. C.,
Pembroke, Ont.
